CAPE KENNEDY, Fla. (AP) — "I was trying for the ocean and almost made it," said the pilot of an Air Force B52 bomber that skidded over populated areas and a nuclear submarine before crashing Thursday night in a remote area of Cape Kennedy.

The fuel-loaded Stratofortress exploded as it smashed into an Atlantic beach about two miles from missile row at 8:50 p.m., plowing a deep furrow in the ground and scattering charred wreckage over a wide area.

All seven crewmen bailed out. The Air Force said they received only minor injuries.

There was no damage to facilities at Cape Kennedy where several rockets are poised on multimillion-dollar launch pads, including the Saturn 1B which is to launch the first three-man Apollo astronaut team into orbit in October. There also were several thousand workmen at the cape at the time of the crash.

The Air Force said the pilot,

Maj. Bobby L. Ward of Universal City, Tex., avoided a potentially disastrous situation by staying with the disabled plane until the last moment as it passed over the cities of Cocoa, Cocoa Beach and Titusville and Port Canaveral.

The \$10-million B52 had engine trouble soon after takeoff from Orlando's McCoy Air Force Base, about 50 miles west of here.

The Air Force said Ward ordered the crewmen to bail out then stayed with the plane until

Another Circleville serviceman has been added to the list of Vietnam war casualties.

Staff Sgt. Leslie L. Brucker Jr., son of Mrs. Katherine Brucker, 309 E. Franklin St., died in Vietnam Monday as a result of gunshot wounds received in combat.

Sgt. Brucker, 30, was a member of the famous Green Berets, special forces division of the U. S. Army.

A 1957 graduate of Circleville High School, he attended Ohio State University and was a member of the Ohio National Guard prior to his active duty status.

Surviving in addition to his mother are: his father, Leslie L. Brucker, Columbus; and a brother, Michael, serving with the U. S. Navy.

Mrs. Brucker was notified by telegram of her son's death and arrangements are pending.

## Cincy Man Is Bilked Of \$22,500

CINCINNATI (AP) — Three men, one posing as a detective, bilked a retired Cincinnati man out of \$22,500 in a two-stage swindle that started last Friday and ended Thursday, police said.

Colbert Austin, 72, told police two men approached him Friday and asked him to help them find an apartment. Then all three drove to a park here and the swindlers started arguing about who had more money.

One said he would split \$15,000 with Austin and the other if they could produce the same amount, police said.

Austin withdrew \$15,000 from two savings and loan offices and was told to put the money in an attaché case along with the \$15,000 belonging to the one swindler.

The men took Austin home, gave him the attaché case and said they would return later to divide the money, but the case was empty and they never returned, police said.

On Thursday, a man came to Austin's home and told him he was a detective who had arrested the two swindlers, but that he would need money to get them convicted.

Austin went to another savings and loan and got a \$10,000 check which he cashed, leaving a \$1,500 deposit at a bank.

The two men went to the bus station here to get something to eat and Austin put the money in a locker, but the man left the bus station during the meal and got the money out of the locker.

## Jury Deadlocks In Barron Case

CHARLESTON, W.Va. (AP) — A U.S. District Court jury of seven women and five men was deadlocked Thursday night in the case of former Gov. William W. Barron and four other men charged with conspiracy.

The jury pored over the evidence for more than nine hours Thursday without reaching a verdict. It has given no indication of any progress toward a decision.

it lost all electrical power and began plunging to earth.

Anchored in Port Canaveral was the nuclear submarine Daniel Webster, which earlier in the day had fired two successful Polaris A3 missiles while submerged offshore.

A member of the Webster crew, Communications Specialist Terry Castle of Glenborne, S.C., said: "We were sitting in the bus near the submarine, waiting to go to town. We saw the plane come 200 to 250 feet over the submarine with one wing pointed toward the ground. . . . The plane glided by the water tower. When it hit we felt the heat and shock waves. The explosion was so big we couldn't look at it."

The B52 crew members bailed out over a wide area between Orlando and Cape Kennedy. Most were picked up by helicopter. All were returned to McCoy Airbase.

## Czechs Gather For Party Meet

Will Plot Course Of Occupied Nation

PRAGUE (AP) — Communist leaders gathered in Prague today for a party congress as debate continued over the capitulation to Moscow's demands for severe limits on the Czechoslovak liberalization.

The local party leaders have to decide whether to reject the Moscow accord or work out ways to live with it in hopes they can convince the Kremlin that the bulk of the estimated 350,000 occupation troops can leave the country soon.

The liberal leaders who went to Moscow already have cautioned, "You cannot beat your head against a wall."

Another issue facing the party congress is whether to reaffirm its decision at a secret session last week to purge hard-line members from the party central committee. The Kremlin called the session illegal and the Moscow agreement appears to repudiate the purge.

The National Assembly on Wednesday rejected the Moscow accord, but as in all Communist countries, assembly action is of small importance compared with what the Communist party does.

The Soviet press has made no mention of the assembly's decision. But the official news agency Tass declared: "The right-wing counter-revolutionary forces are becoming more active trying to frustrate the first constructive steps of the party and the government leadership of Czechoslovakia."

Party secretary Alexander Dubcek, the leader of the liberals who was arrested by the Russian invaders and released after the Moscow talks, was reported under medical care, mentally and physically exhausted.

## Wallace Says U.S. Troubles Are Simple

KNOXVILLE, Tenn. (AP) — George C. Wallace says, "One thing wrong with our country is we have complicated solutions to simple problems."

The American Independent party candidate for president spoke to about 7,000 persons at a rally Thursday night and, according to campaign aides, to 400 at a \$25-a-plate dinner in a downtown hotel.

Wallace takes his campaign to Louisville, Ky., today.

Applause at the Knoxville rally interrupted him 38 times as he continued criticism of the Republican and Democratic parties.

"It is those like you and millions like you that are causing the national parties to be concerned, not me as an individual," said Wallace.

The former Alabama governor said "For the first time in your life you're hearing a national candidate say what you want to hear," and he predicted it would carry him to the White House.

"I'm going to turn back to you in East Tennessee and Knoxville the right to control your own schools. . . unions. . . and other institutions," he said. "I'm going to tell those guideline writers there are more of us than there are of you."

## Johnson Skips Attendance At Convention

Good Politics, Security Seen Possible Factors

AUSTIN, Tex. (AP) — President Johnson, first chief executive in 24 years to skip his own party's national convention, probably was swayed by one or all of three factors—security, pride and plain old good politics.

The Texas White House, in keeping with its usual policy, didn't shed any light on the subject. But then it hadn't indicated until the very last possible minute whether Johnson would attend the final session of the Democratic National Convention Thursday night.

Speculation on why he didn't seemed to run along three lines: —Security. Two top Secret Service officials were in Chicago, including the head of the White House plainclothes bodyguard, and presumably they recommended Johnson stay away from the tension-torn city and convention.

—Pride. Judging from the mood of many delegates, Johnson could not be assured in advance of an entirely friendly reception from fellow Democrats.

—Good politics. The President may have decided that his presence would have done nothing to further the election hopes of the new Democratic ticket of Vice President Hubert H. Humphrey and Sen. Edmund S. Muskie of Maine.

Despite the tumultuous demonstrations by antiwar protesters and the bitterness of anti-Humphrey force on the convention floor, Johnson may have had a twinge of regret at one point if he chose to stay away because of pride.

Humphrey, in his acceptance speech, said Johnson "accomplished more of the unfinished business of America than any of his modern predecessors."

Then he added: "Tonight Mr. President I say thank you, thank you Mr. President."

The band struck up and the convention hall exploded into cheers.

## Strife-Torn Democrats Pick Muskie Amid More Discord

CHICAGO (AP) — With a little-known senator from a small state as his handpicked running-mate, Democratic presidential candidate Hubert H. Humphrey starts a campaign that will first require plugging the gaping holes of party unity.

EDMUND MUSKIE

At Humphrey's request, the Democratic National Convention Thursday night dutifully delivered the vice presidential nomination to Sen. Edmund S. Muskie, a former Maine governor who has acquired the reputation of a capable senator, but not national popularity.

The convention closed after a week of discord, sometimes vitriolic, on a night marked again in downtown Chicago by police and National Guard troops firing tear gas and swinging clubs to break up demonstrations by anti-Vietnam war protesters.

After going through the motions of selecting Muskie, delegates cheered and waved banners to the tune of "Happy Days Are Here Again" as Humphrey took the podium to accept the presidential nomination and pledged for national unity and justice.

With the pattern of his campaign thus sketched, Humphrey begins overhauling the party organization with the election today of a national party chairman to succeed John M. Bailey of Connecticut, who has served in the spot since 1960.

Gov. John N. Dempsey of Connecticut said the word had come down that Lawrence F. O'Brien, former postmaster general and a long-time political adviser to the assassinated Kennedy brothers, had been tapped for the post. O'Brien was Humphrey's convention manager.

Others thought that Sen. Fred Harris of Oklahoma, co-chairman of Humphrey's pre-convention campaign was in the running and there was some talk

that Delton Houtchens, Missouri state chairman, might be in line for the post.

The 6-foot-5 Muskie, a 54-year-old Roman Catholic who has served in the Senate since 1959, epitomized party disagreement over how to end the Viet-

nam war. He supported a Humphrey-endorsed platform plank that called for a halt in the bombing of North Vietnam only when Hanoi shows a willingness to reciprocate militarily.

## More Delegates, Protesters Held By Chicago Police

CHICAGO (AP) — Youths throwing bottles and glasses down on Illinois National Guardsmen patrolling the street in front of the Conrad Hilton Hotel today brought police to the 15th floor where they quickly ordered 50 of the young people to the lobby.

The guardsmen were stationed on Michigan Avenue—many adorned with the blue and white flower symbol of Sen. Eugene J. McCarthy—and ordered about 50 youthful occupants down stairs to the main lobby.

The youths filed into elevators, some pushed by police, and the hallway of the 15th floor was cleared within minutes.

Down in the lobby area, some 30 of the youths sat on the floor in an elevator area singing, "We Shall Overcome."

There were no arrests. Police said the majority of those ordered to the lobby were not hotel occupants.

In the confrontation Thursday night, the demonstrators—from varied backgrounds—protested administration war policies, the conduct of the convention and alleged police brutality.

David C. Hoeh, chairman of the New Hampshire delegation, was handcuffed and taken to a police station after he tried a credit card in an electronic machine used to scan credentials for admission to the convention floor.

Thomas D. Frasier, an Oklahoma delegate confined to a wheel chair, was seized by Chicago police in an antiwar march near the downtown lakefront area.

Also appearing in police court early today were a New York delegate and a Washington alternate.

Hoeh, from Hanover, N.H., said convention guards arrested him even after he identified

himself. He said many of the demonstrators "are not fine young people, but are professional troublemakers" who set out to disrupt the convention and to deprive others of their civil rights.

But Agnew said this was no excuse for "what I would have to term to be, to some extent, an overreaction of the Chicago police."

## Nominee Seeks To Restore Party Unity

CHICAGO (AP) — Vice President Hubert H. Humphrey, taking his first step out of the shadow of Lyndon B. Johnson as Democratic nominee for president, has pledged to explore new policies if necessary to bring peace to Vietnam.

"The policies of tomorrow need not be limited by the policies of yesterday. If I am president, I shall apply that lesson to the search for peace in Vietnam," Humphrey told a cheering convention Thursday night.

With that pledge, Humphrey reached also for peace in a Democratic party torn by its deep divisions on Vietnam, scorned by the antiwar demonstrators who clashed with police in a fourth night of bloodshed in downtown Chicago.

To try to heal the wounds, Humphrey took an elastic stance that appeared to endorse the Vietnam policies of the Johnson administration as long as he served it as vice president, but held open the door for new approaches if elected president.

In his acceptance speech he urged, "Let those who believe that our cause in Vietnam has been right—and those who believe it has been wrong—agree here and now: Neither vindication nor repudiation will bring peace or be worthy of our country."

Looking ahead to Inauguration Day, Humphrey said, "No one knows what the situation in Vietnam will be on Jan. 20, 1969. Every heart in America prays that, by then, we shall have reached a ceasefire in all Vietnam, and be in serious negotiation toward a durable peace."

He promised, both as candidate and vice president, to do everything possible to aid the Paris peace talks. But he then made his apparent declaration

Agnew was critical of both police and peace demonstrators involved in disorders at Chicago during the Democratic convention.

He said many of the demonstrators "are not fine young people, but are professional troublemakers" who set out to disrupt the convention and to deprive others of their civil rights.

But Agnew said this was no excuse for "what I would have to term to be, to some extent, an overreaction of the Chicago police."

**County Commission, Judge in Feud**

LENOIR, N.C. (AP) — The five Caldwell County commissioners were sentenced to 48 hours in county jail Thursday by a Superior Court judge who found them guilty of contempt of court for not providing "adequate office space" for the clerk of Superior Court.

The five immediately announced they would appeal to the North Carolina Appeals Court. Each was released on \$500 bond.

## Eisenhower Continues To Improve

WASHINGTON (AP) — Still further improvement in former President Dwight D. Eisenhower's condition was indicated today as his doctors reported that he is now allowed to do "light reading" in his bedroom.

In a medical bulletin issued shortly before 10 a.m. EDT, doctors of the Walter Reed Army Hospital said: "There has been no essential change in Gen. Eisenhower's condition since yesterday's bulletins."

"The general is in excellent spirits and spent another comfortable night. The favorable trend, previously noted, has continued."

"Light reading and music, in addition to visits with Mrs. Eisenhower, have helped to occupy the general during this continued confinement."

Today's report contained the first reference to Eisenhower being allowed to do any reading since his Aug. 16 heart attack.

The doctors had previously reported that the five-star general was enjoying light background music while confined in his bed.

"He's tough—and so is the human heart," said Dr. Paul Dudley White, once Eisenhower's doctor, in a telephone interview from Boston Thursday.

"I thought during the past week," he said, "that Gen. Eisenhower wasn't so terribly ill that there was need for bulletins every few minutes that he was about to die."

Doctors cut to one Thursday the number of daily bulletins detailing the former president and five-star general's condition. They had been issuing three since Eisenhower's seventh heart attack Aug. 16.

Eisenhower, 77, was taken off the critical list Wednesday. But Walter Reed Army Hospital doctors cautioned he is still in serious condition and long range prospects for full recovery are uncertain.

But White said: "Almost no matter how sick a person is, there is always a chance for recovery."

"We doctors and the lay public must maintain more hope with respect to disease," said White, who was chief consultant when Eisenhower suffered his first heart attack in 1955.

## Napoleon Strike Agreement Near

NAPOLEON, Ohio (AP) — A tentative agreement was reported today in negotiations to end a strike at the Campbell Soup Co. plants here.

Officials hoped final approval by strikers would be in time to save the tomatoes harvested for processing.

The agreement reported reached between management and members of the Amalgamated Meat Cutters and Food Handlers Union will be subject to ratification by members of the union.

## Gas Station Fire Causes \$1200 Damage

A gas fire causing \$1,200 damage swept the Charles Roy Sinclair Station on Route 56 about 8:45 Thursday night.

The fire started when a car, driven by Donald Kuhn of Route 3, pulled away from one of the gas pumps while the delivery hose was still connected to his vehicle.

Kuhn told sheriff's deputies that he had stopped for gas and that he thought the hose had been disconnected when he pulled his car away from the service island. He stated that he heard a noise, looked back and saw one of the pumps spilling on its side with gas spraying around it and catching fire.

The call for assistance was answered by the Circleville Fire Department.

## 2 Teens Hurt In Auto Mishap

City policeman Jack Mills was involved in an accident that injured two teenagers Thursday night when his car was struck at the intersection of Kingston and Renick Roads.

Mills told sheriff's deputy Bill Dountz that he had stopped on the Circleville-Kingston Road for a stop sign when a motorcycle driven by 19-year-old Robert Schwalbaugh of Delaware went out of control while turning off of Renick onto Circleville-Kingston Road. The motorcycle struck the side of Mills' car.

The motorcycleists stated that as he was beginning his turn the back wheel of his cycle slipped in the gravel forcing him to lose control.

Taken to Berger Hospital for treatment of burns were Schwalbaugh and 19-year-old Gary Hemphre of Iowa, a passenger on the cycle.

No citations were issued by the sheriff's department.

### Don't forget Labor Day

Monday. Fellow up the street . . . and I hope he doesn't read this . . . is all mixed up about Labor Day. He doesn't do anything all year but really hits a lick on Labor Day. "Look at those lazy bums," he says, as people head for swimming pools and golf courses. We just don't have the heart to tell him.

Don't forget Mother's Day Tuesday. Some of you thought it was last May but school starts Sept. 3. For those who forgot it last year, now is your chance to come through. I don't believe that you should need to mention your birthday so I'm not going to say anything about mine being Tuesday, but for those who forgot it last year . . .

Harvey Looney's new house is taking shape. Thus far sidewalk superintendents have outnumbered workers.

The Mustang round-up will be tonight. Action starts at 7:30 at Westfall. Beauty?? contestants will vie for a title. One thing guaranteed is that you will not just see a lot of pretty faces. In fact if you even see one pretty face in that group you're in the wrong crowd. The band, cheerleaders, football players, American Legion, and

Ed Johnson will be there though and there are pretty faces in the cheerleading and band crew.

Someone did their part to help beautify America by hanging a mirror on a shed back of Horsch's Market. This shed is across the alley from Leist and Keller's Garage. Maybe the boys are tidying up on the way to coffee at Richards Restaurant.

Attention all you kindergartners. Do you feel left out? Is life passing you by? Are you interested in getting ahead? Do you feel that you could improve your present position? If you live in the Westfall School District, are too young for the first grade and desire to attend kindergarten this year, contact Mrs. William Horsch at 986-2582 before the next Club Meeting. It will be held Sept. 17 at 8 p.m. in the United Methodist Church Annex.

There are still four openings in this rapidly growing organization. Experience is not necessary. They will train you. Also tell your parents about the Bake Sale to be held in downtown Williamsport Aug. 31 beginning at 10 a.m. Any exit on the North-South or East-West Freeway will quickly bring you downtown in Williamsport.

The Policeman's Ball was at Chicago this week. The whole town was crowded. You just couldn't believe all the roomers. Many of them wanted bed boards but there wasn't enough to go around and they had several fights over planks. Mr. McGovern, Mr. Maddox, Mr. McCarthy and Mr. Humphrey couldn't sleep so they got up a marble game. They played for keeps too. George shouldn't even have been playing. He had to borrow marbles to get in the game and didn't last long. Lester wouldn't knuckle down, got mad, picked up his marbles and went home. Gene lost all his to the hube who was scared all the time some out-of-town pro might get in the game.

Nobody likes bad news and you've all probably heard about Andy Hamman breaking his neck in a swimming accident. The good part is that he is in University Hospital and knowing Andy, he will make out okay. He showed the grit he has on the basketball floor. You must have thousands of friends around here Andy and if it helps they're pulling for you. Room number at University is 901. John Valone is in his 4th week at Children's Hospital, in Room 507. He is improving, but time hangs heavy on energetic boys when cooped up. They like to hear from you.

## Nominee Seeks

(Continued from Page 1)  
of political independence on the policies of tomorrow.

He spelled out no specific new paths, no areas of disagreement with present policies, but offered his vow to strive for "a prompt end to this war."

Humphrey spoke at the close of a convention marked by repeated battles over the Democratic position on that war. He told the delegates, "Had we papered over differences with empty platitudes instead of frank debate, we would deserve the contempt of our fellow citizens and the condemnation of history."

Humphrey asked losing candidates Sens. Eugene J. McCarthy and Eugene J. McGovern, both critics of the war, "to help America in the difficult campaign ahead."

But McCarthy stayed away from convention hall, denying Humphrey the traditional tableau of unity on the final night, withholding his support from the nominee, promising to campaign for a larger antiwar bloc in Congress.

McGovern said he would support Humphrey but not the Vietnam plank in the platform. He said his major effort would be to gain his own re-election.

The plank, preserved by Humphrey forces by a 3-to-2 ratio in a turbulent floor battle only hours before the nomination, links an end to all bombing of North Vietnam with a response from Hanoi and the safety of U.S. troops. Antiwar dissidents had fought for an unconditional bombing halt.

Humphrey, at the outset of his acceptance speech, called the violent clash between police and protesters in downtown Chicago tragic and distressing.

"Neither mob violence nor police brutality have any place in America," he said as he called for both civil rights and civil order.

Humphrey said, "Every American has the right to a safe neighborhood. On this there can be no compromise. I put it bluntly: rioting, burning, sniping, mugging, traffic in narcotics and disregard for the law are the advance guard of anarchy—and they must be stopped."

Humphrey said there can also be no compromise in the right of all Americans to adequate jobs, decent housing and good education.

"Just as there can be no compromise on the right of personal security, there can be no compromise on the securing of human rights," he said.

"Winning the presidency is not worth the price of silence or evasion on the issue of human rights," he said. "Winning the presidency is not worth a compact with extremism."

"I choose not simply to run for president. I seek to lead a nation."

## Gas Station Fire Causes \$1200 Damage

A gas fire causing \$1200 damage swept the Charles Roy Sinclair Station on Route 56 about 8:45 Thursday night.  
The fire started when a car, driven by Donald Kuhn of Route 3, pulled away from one of the gas pumps while the delivery hose was still connected to his vehicle.  
Kuhn told sheriff's deputies that he had stopped for gas and that he thought the hose had been disconnected when he pulled his car away from the service island. He stated that he heard a noise, looked back and saw one of the pumps laying on its side with gas spilling around it and catching fire.  
The call for assistance was answered by the Circleville Fire Department.

## 2 Teens Hurt In Auto Mishap

City policeman Jack Mills was involved in an accident that injured two teenagers Thursday night when his car was struck at the intersection of Kingston and Renick Roads.  
Mills told sheriff's deputy Bill Dountz that he had stopped on the Circleville-Kingston Road for a stop sign when a motorcycle driven by 19-year-old Robert Schwalbaugh of Delaware went out of control while turning off of Renick onto Circleville-Kingston Road. The motorcycle struck the side of Mills' car.  
The motorcyclists stated that as he was beginning his turn the back wheel of his cycle slipped in the gravel forcing him to lose control.  
Taken to Berger Hospital for treatment of burns were Schwalbaugh and 19-year-old Gary Hemper of Iowa, a passenger on the cycle.  
No citations were issued by the sheriff's department.

of political independence on the policies of tomorrow.  
He spelled out no specific new paths, no areas of disagreement with present policies, but offered his vow to strive for "a prompt end to this war."

Humphrey spoke at the close of a convention marked by repeated battles over the Democratic position on that war. He told the delegates, "Had we paped over differences with empty platitudes instead of frank debate, we would deserve the contempt of our fellow citizens and the condemnation of history."

Humphrey asked losing candidates Sens. Eugene J. McCarthy and Eugene J. McGovern, both critics of the war, "to help America in the difficult campaign ahead."

But McCarthy stayed away from convention hall, denying Humphrey the traditional tableau of unity on the final night, withholding his support from the nominee, promising to campaign for a larger antiwar bloc in Congress.

McGovern said he would support Humphrey but not the Vietnam plank in the platform. He said his major effort would be to gain his own re-election.  
The plank, preserved by Humphrey forces by a 3-to-2 ratio in a turbulent floor battle only hours before the nomination, links an end to all bombing of North Vietnam with a response from Hanoi and the safety of U.S. troops. Antiwar dissidents had fought for an unconditional bombing halt.

Humphrey, at the outset of his acceptance speech, called the violent clash between police and protesters in downtown Chicago tragic and distressing.

"Neither mob violence nor police brutality have any place in America," he said as he called for both civil rights and civil order.

Humphrey said, "Every American has the right to a safe neighborhood. On this there can be no compromise. I put it bluntly: rioting, burning, sniping, mugging, traffic in narcotics and disregard for the law are the advance guard of anarchy—and they must be stopped."

Humphrey said there can also be no compromise in the right of all Americans to adequate jobs, decent housing and good education.

"Just as there can be no compromise on the right of personal security, there can be no compromise on the securing of human rights," he said.  
"Winning the presidency is not worth the price of silence or evasion on the issue of human rights," he said. "Winning the presidency is not worth a compact with extremism."  
"I choose not simply to run for president. I seek to lead a nation."

# Russians Hit Bottle on New Long Weekends

By MICHAEL JOHNSON  
Associated Press Writer  
MOSCOW (AP) — Vodka, the joy and curse of Russia for centuries, is getting a boost this year as Russian workers face a new challenge—how to use their new long weekends.

The five-day work week, introduced last winter in most Soviet factories, appears to be driving the workers to drink.

Other unforeseen problems also have arisen, but drunkenness draws the harshest scoldings in the official press.

The humor magazine Krokodil summed it up in a cover cartoon recently: "Now I have two days off," the reeling husband tells his wife as he comes home brandishing two empties.

To the Russian reader, it was instantly clear that he had emptied two quarts of vodka by the end of his two days off, probably because he could find nothing better to do.

The cartoon was painfully close to reality.

Vodka sales jumped more

than 24 per cent when workers were given two consecutive days off. Industrial production, which was expected to benefit from the new schedule, dropped in many plants because people often were in no shape to work Monday morning.

The Russian laborer seemed to be making up for years of long hours and hard work.

The wartime 66-hour week was cut to 48 hours in the mid-1940s, then to 41 hours in 1950 under Nikita S. Khrushchev. But the 41-hour week was spread over six days, giving most people only Sundays free.

After years of promises, the last of 77 million factory and office workers finally got the extended weekend at the beginning of 1963.

Their working hours were redistributed so that they still work 41 hours a week.

Trips to the countryside are now possible on any summer weekend. The typical Russian might indulge his passion for hunting mushrooms, camping out, or just hiking in the woods. Except for the mobs of people, there is now nothing to prevent

families from traveling to nearby lakes on Saturday, returning home Sunday evening.

All this is new and luxurious for the Soviet population.

The Komsomol, the Communist party organization responsible for young people, has welcomed the two-day weekend as a method of giving the masses "more time to develop their

world outlook."

A recent poll showed that most working women have no

noticed no improvement in their lives since the new schedule was introduced. Their housework has merely expanded to fill the time, they said. Others told pollsters that the extra free time is leading to hooliganism and drunkenness.

BOBBY'S MOM

DEAR ABBY: What do you think of parents who go off on a vacation and leave their children with relatives, and they return on a later date than scheduled without notifying the babysitters?

DEAR TAKEN: Not much. And if you are ever again taken advantage of in this manner, remember, you asked for it.

DEAR ABBY: I was shocked and disgusted today when I took my 2½-year-old daughter shopping with me. As we approached a certain toothpaste display she pointed to it and shouted, "Oh look, Mommy, SEX appeal!" I nearly fainted. This is just one example of how TV commercials influence young children. Another thing with regard to the boob tube:

What good does it do for parents to try to teach their

children not to make personal, insulting remarks to people when they see it done day after day in television commercials?

I have a friend whose little 4-year-old boy tells people that they have "bad breath, body odor and dandruff." Everyone laughs and thinks it's cute.

Well, I don't, so please print my letter with the following statement: I will NOT buy products whose commercials offend me, and I hope other mothers who feel the same will follow suit.

# Russians Hit Bottle on New Long Weekends

By MICHAEL JOHNSON  
Associated Press Writer

MOSCOW (AP) — Vodka, the joy and curse of Russia for centuries, is getting a boost this year as Russian workers face a new challenge—how to use their new long weekends.

The five-day work week, introduced last winter in most Soviet factories, appears to be driving the workers to drink.

Other unforeseen problems also have arisen, but drunkenness draws the harshest scoldings in the official press.

The humor magazine Krokodil summed it up in a cover cartoon recently: "Now I have two days off," the reeling husband tells his wife as he comes home brandishing two empties.

To the Russian reader, it was instantly clear that he had emptied two quarts of vodka by the end of his two days off, probably because he could find nothing better to do.

The cartoon was painfully close to reality.

Vodka sales jumped more

than 24 per cent when workers were given two consecutive days off. Industrial production, which was expected to benefit from the new schedule, dropped in many plants because people often were in no shape to work Monday morning.

The Russian laborer seemed to be making up for years of long hours and hard work.

The wartime 66-hour week was cut to 48 hours in the mid-1940s, then to 41 hours in 1960 under Nikita S. Khrushchev. But the 41-hour week was spread over six days, giving most people only Sundays free.

After years of promises, the last of 77 million factory and office workers finally got the extended weekend at the begin-

ning of 1968. Their working hours were redistributed so that they still work 41 hours a week.

Trips to the countryside are now possible on any summer weekend. The typical Russian might indulge his passion for hunting mushrooms, camping out, or just hiking in the woods. Except for the mobs of people, there is now nothing to prevent

families from traveling to near-by lakes on Saturday, returning home Sunday evening.

All this is new and luxurious for the Soviet population.

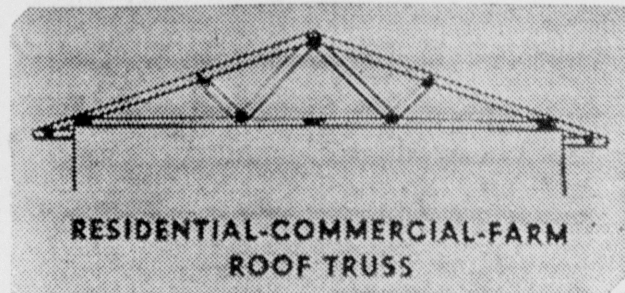

The Komsomol, the Communist party organization responsible for young people, has welcomed the two-day weekend as a method of giving the masses more time to develop their

world outlook.

A recent poll showed that most working women have no

noticed no improvement in their lives since the new schedule was introduced. Their housework has merely expanded to fill the time, they said. Others told pollsters that the extra free time is leading to hooliganism and drunkenness.

## Priest Seeks Life Experiences

By SUSAN EVERLY  
Associated Press Writer

NEW YORK (AP) — Three years ago, Father Joseph Pintauro was celebrating Mass in his Brooklyn parish.

Two years ago, after a brief fling as a caterer's assistant, he was writing television commercials for a Fifth Avenue advertising agency.

This year, the 37-year-old priest is the author of rapidly selling book, "To Believe in God," and has left his advertising job to devote full time to writing.

"The priest needs more than an existence as a sacred cow,"

said the slightly built Father Pintauro, who has substituted a smartly tailored suit and wide, patterned tie or comfortable dungarees and moccasins for his clerical collar.

Father Pintauro's leave of absence from his parish and liturgical duties was granted on Aug. 16, 1966, the day bishops

**NOTICE TO BIDDERS**

Franklin Street, Circleville, Ohio. Each and every bid must contain the full name of every person, or company interested in the same and be accompanied by a bond with an approved surety company, in the sum of \$100.00, or a certified check on some solvent bank, drawn and made payable to the City of Circleville, Ohio, as a guaranty that if any bid is accepted a contract will be entered into and its performance secured in the proper manner. Should any bid be rejected such bond or check will be returned to the bidder, and should any bid be accepted such bond or check will be returned to the bidder upon proper execution and securing of the contract. The successful bidder, if any, will be required to execute the contract within 10 days after the award of the same to him. In case of failure to execute the contract as stated the bidder will be considered to have abandoned the contract, and the bond or check accompanying the bid shall be forfeited to the City.

were given the right to make decisions on priestly vocations.

He talks animatedly about the changing role of the Church. Often his conversation turns to his new experiences in the secular world—new friends, his garden, guitar playing and Manhattan's East Side.

"It's like leaving one country and going to another," said the native New Yorker, speaking about leaving his parish. "I feel like I'm in Sydney, Australia."

Easy-going and quick-witted, Father Pintauro hardly appears the angry young man of the Church, and he has little patience with people who ask why he is a "failure" as a priest. He sees himself as setting a precedent, but stresses that everything he has done was with the approval of his Roman Catholic superiors.

"The priesthood is getting its greatest challenge in history," said Father Pintauro, who praises the late Pope John XXIII and Vatican II for

prompting "the mingling of the secular and spiritual words."

"It's unfair to a priest to be burdened with a reputation of angelic perfection, which is an absurd denial of humanity with all its drives," he said.

Too many people in the Church, he said, are so concerned with experiencing the love of God, that they are missing the "fundamental experience of the love of man that will teach us what love really is. There is a priesthood of all men. Each man has his own magic, which is his own sacrament."

"That's what my book is about," the long-haired priest explained. "It's my own expression of human love."

Father Pintauro said he doesn't expect to return to parish life, nor does he visit his Brooklyn parish.

"I can't go back; it would blow their minds," said the priest, who feels most comfortable attending Mass in Greenwich Village.

### Butterbaugh-Hartley Rites Read in Fairview Church

MR. AND MRS. JAMES B. HARTLEY

Miss Phyllis Ann Butterbaugh, daughter of Mr. and Mrs. Elmer Butterbaugh, Route 1, Stoutsville, and James B. Hartley, son of Mr. and Mrs. Harry Hartley of Stoutsville, were united in marriage 6:30 p.m. Aug. 10, in Fairview United Methodist Church.

The Rev. Homer Thompson Jr., performed the double ring ceremony before an altar decorated with palms, arrangements of blue and white daisies, and candelabra decorated with white satin ribbons. Mrs. Lloyd P. Gallagher, cousin of the bride, was organist.

The bride, escorted down the aisle by her father, wore a gown of white eyelet, designed by herself. The floor length A-line silhouette gown was fashioned with a rounded neckline and short sleeves. The bouffant elbow length veil, caught by an eyelet bow, was enhanced with small daisies. She carried a colonial bouquet of blue daisies and white

rosebuds with floor length blue satin streamers. Her only jewelry was a diamond pendant, a gift of the groom.

Maid of honor was Miss Norma Butterbaugh, sister of the bride, and matron of honor was Mrs. C. Douglas Plank of Ashland. They were attired in blue gingham with an overlay of blue organza for their A-line floor length gowns, with headpieces fashioned into bows of the same materials. They carried colonial bouquets of white daisies with white long satin streamers.

Serving as best man was Sgt. Larry A. Hartley. Ushers were Donald Butterbaugh, brother of the bride, and Gene Hartley and Bill Hartley, brothers of the groom.

Mrs. Butterbaugh wore for her daughter's wedding a navy blue dress with white accessories. Mrs. Hartley was attired in a gold dress with white accessories. Both mothers wore corsages of blue daisies and white rosebuds.

A reception in the social rooms of the church followed the ceremony. The refreshment table was centered with a three tiered cake decorated with lattice and blue daisies. Mrs. Bill Hartley presided at the guest book with Mrs. Howard Huston, Mrs. Donald Butterbaugh, Mrs. Chester Yapple and Miss Nancy Hartley serving as hostesses.

For a trip to the Blue Ridge Mountains, the bride wore a royal blue dress with empire waistline and white accessories. The new Mrs. Hartley is a graduate of Amanda-Clearcreek High School and Otterbein College in Westerville. She will teach the second grade at Washington Twp. School this fall.

Mr. Hartley, a graduate of Laurelville High School, is presently employed by E. I. DuPont Co. He served for three years with the U.S. Marines.

Out of town guests at the wedding were from St. Paris, Urbana, Ashland, Shelby, Circleville, Ashville, Amanda, Chillicothe, Stoutsville, Columbus, and Portland, Ind.

The couple will reside at 391 Ray Ave., Circleville.

A bison in the New York Zoo known as Black Diamond served as the model for the animal on the U.S. nickel coin minted between 1913 and 1928.

Frightened, its wing broken, the bird was clinging to a rail when Tod found it. He brought it home, and "Racky" became its name.

Days passed and the bird mended quickly.

"Racky's getting well," the six-year old informed me one day. "Will he fly away?" I nodded.

"But I want him to stay here! I'll feed him, and let him sleep in his box-house, and take care of him—an' everything!"

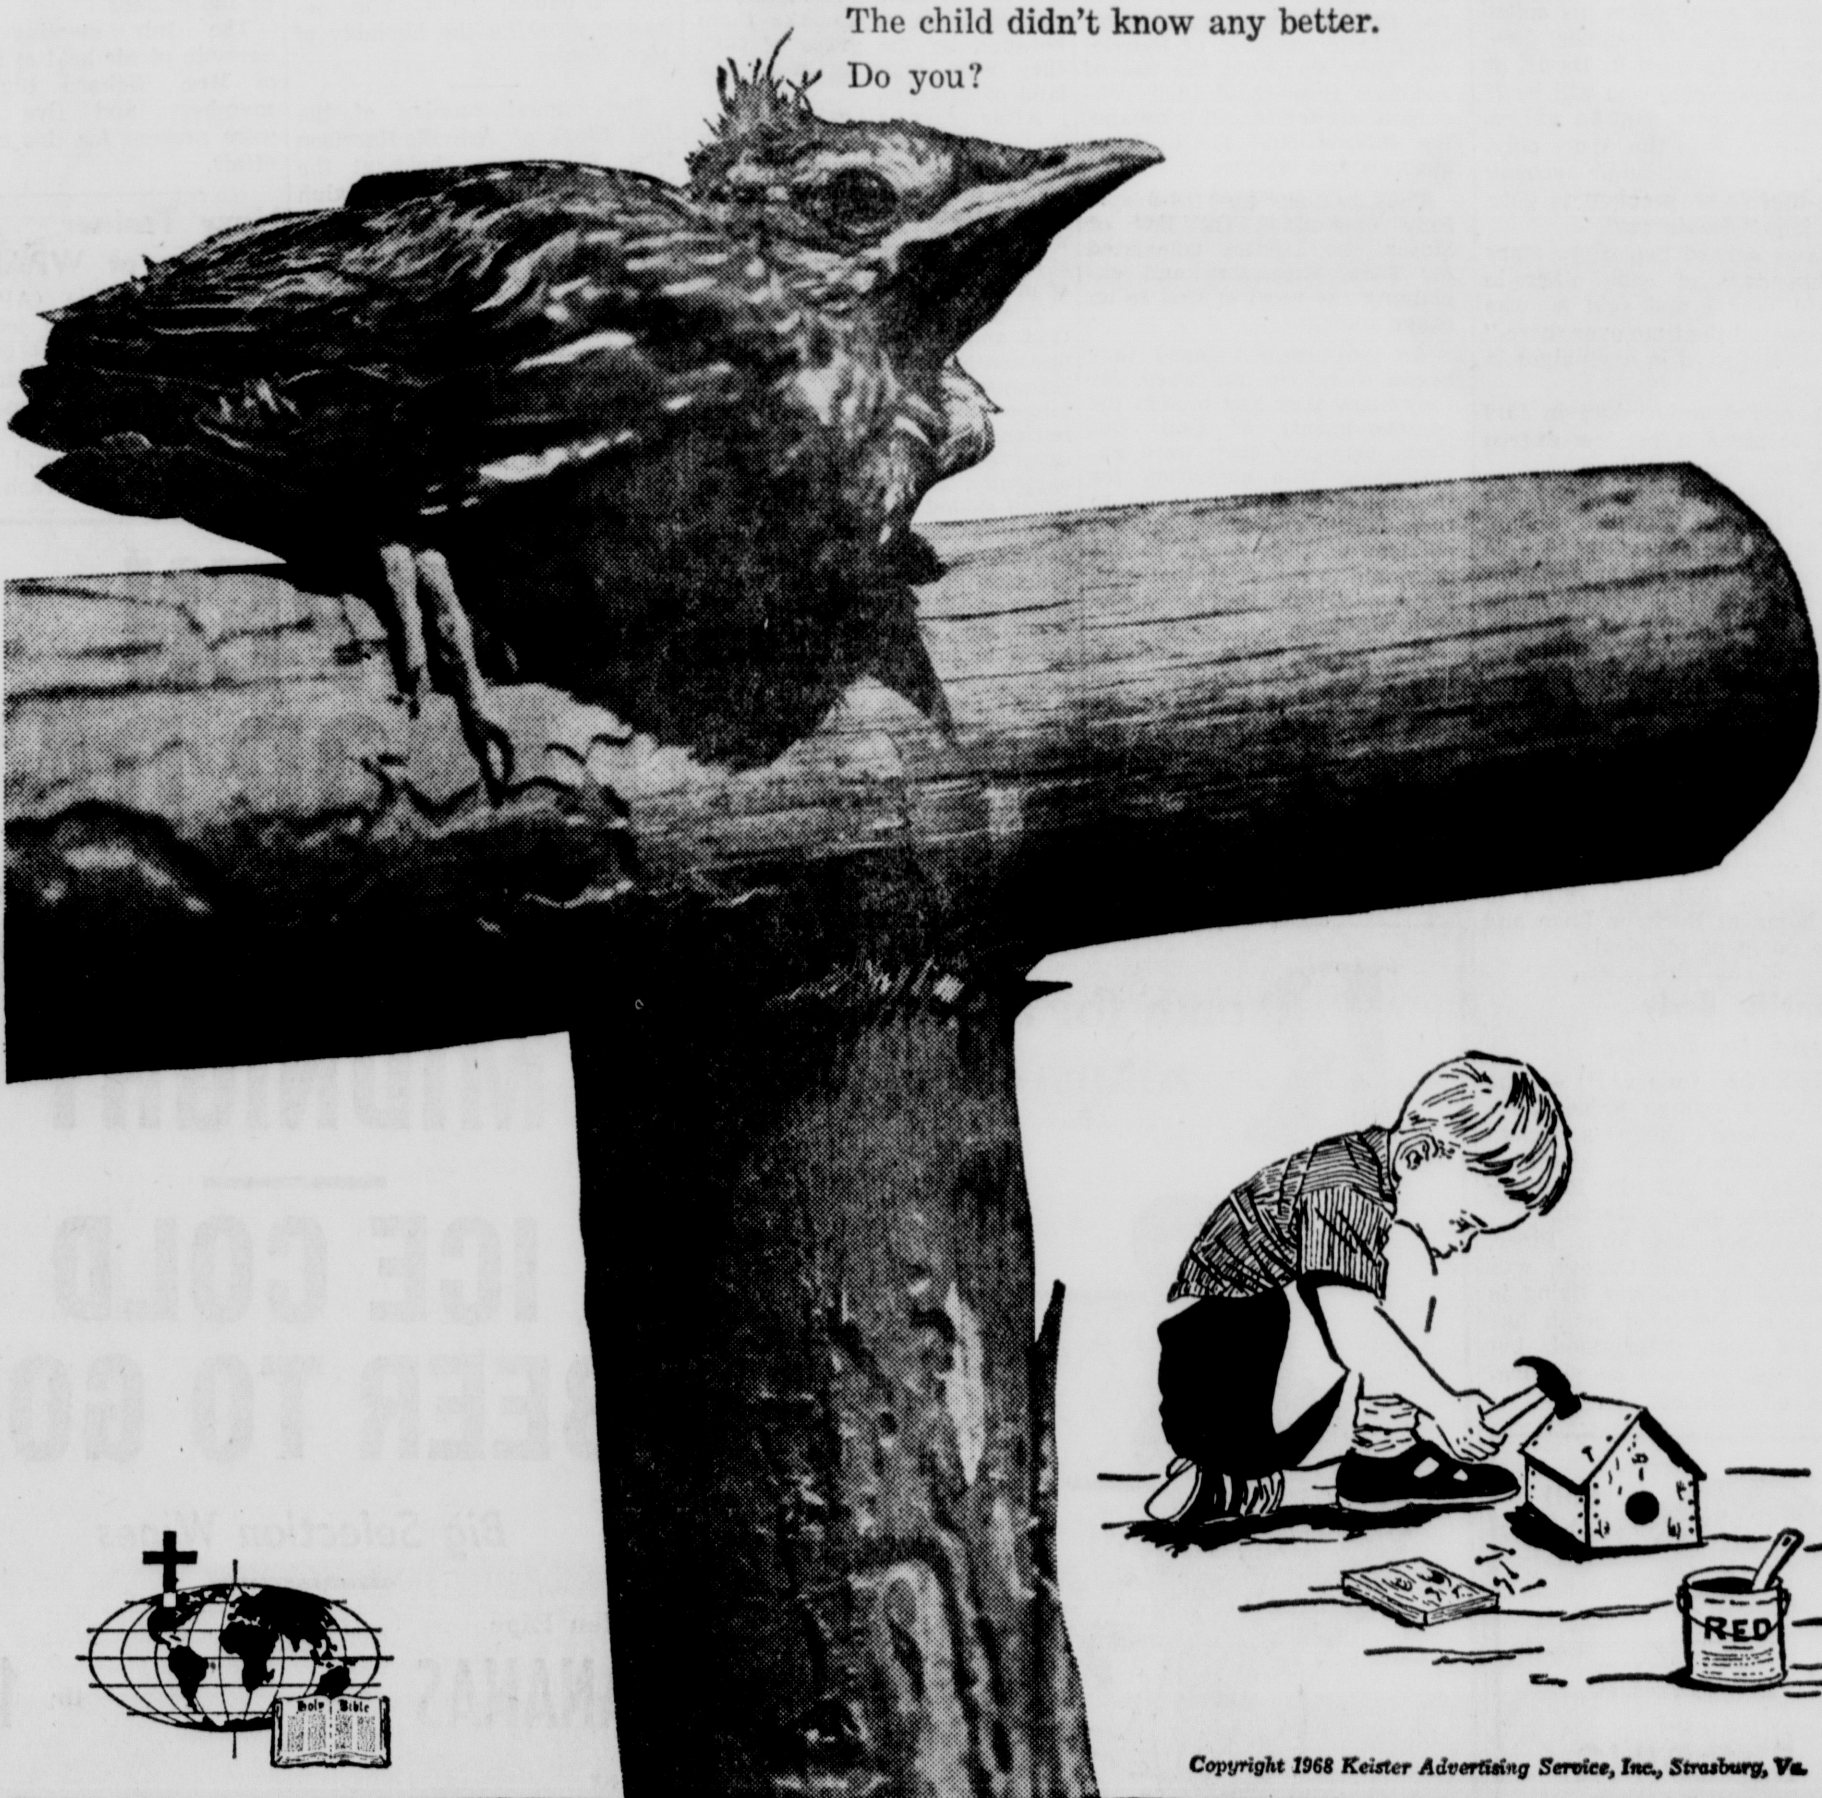

"But he might want to be with his friends," I said. There was silence as the boy pondered the idea.

"All right," he finally said. "I'll let him go. But I bet he'd be happier here with me!"

We, too, would be happier if we knew where we belong in the complex pattern of life. God helps us discover ourselves and our place in His universe through His Church.

The child didn't know any better.

Do you?

# Space for Ohio Write-In Vote Partial Wallace Win

COLUMBUS, Ohio (AP) — Third party presidential candidate George C. Wallace was denied a place on Ohio's November general election ballot Thursday, but a federal court panel ordered the state to make provisions for write-ins.

Wallace, former Alabama governor, said in Knoxville, Tenn., that the ruling was a victory for his candidacy, but declined further comment until after he reads the opinion.

The decision voided sections of state election laws which prohibit write-in elections in general elections. The judges said the write-in order applies "for every office for which an election is to be held."

The decision, which also applied to efforts by the Socialist Labor Party to place a candidate on the ballot, came in a majority opinion delivered by U.S. Judge Carl A. Weinmann of Dayton and Judge Lester L. Cecil of Cincinnati senior judge for the 6th U.S. Circuit Court of Appeals.

U.S. Judge Joseph P. Kinneary of Columbus entered a dissenting opinion which favored printing Wallace's name on the ballot.

The federal panel's decision enjoined the state "from taking any action which would not provide for write-in voting for all offices for the 1968 general election."

The ruling, in effect, applies only to next November's election. The judges urged the state legislature to amend election laws so that they provide equal protection granted by the 14th amendment of the Constitution.

## Oldest U.S. Soldier Sets Retirement

COLUMBUS, Ohio (AP) — The oldest man in the armed forces said Thursday that he will retire from the Army when his enlistment is up in November, 1969.

Sgt. I.C. Howard R. Davis, an Ohio-born soldier who will be 72 when he retires, said he will retire - but from the Army only.

"As a certified public accountant, there's no problem in getting jobs," Davis said.

Davis earned two silver stars within days of each other in World War I and said he was "scared all the time over there."

He participated in campaigns in France.

He ended active duty in 1919 and obtained a pre-law degree at Mount Union College.

In 1936 he again joined the Ohio National Guard.

During the following 10 - 15 years, Davis served as assistant director and legal adviser in the Ohio Department of Welfare.

Davis returned to active duty in 1950 and served in Europe, Korea and Hawaii before his assignment to the financial section of the Army Advisory Command at Fort Hayes in July.

"I got gas and shrapnel," Davis said, "but I pass the physical every year. However, come November, 1969, he'll retire to his home at Buckeye Lake and take no more physicals.

**Identify Body Found in Bridge**

PIKETON, Ohio (AP) — The body of a woman found Tuesday wedged under a Scioto River Bridge was identified Thursday as Alfreda Pennington Piper, 27, of Marion.

Authorities said Mrs. Piper, a native of Pike County, was identified by relatives living in this area. Cause of death has not yet been determined, but an autopsy showed no physical signs of violence.

Secretary of State Ted Brown noted that the decision provides that presidential candidates must file the names of 26 presidential electors with his office by Oct. 15 in order for votes to be counted.

Brown and other election officials saw no great hardships arising from the decision.

The majority opinion denied the official status of Wallace's American Independent Party because it "does not possess the attributes of a traditional political party." It noted that the sole reason the party was formed was to obtain ballot position for Wallace.

Judge Kinneary, in his dissenting opinion, said Ohio election laws are "arbitrary, capricious, unreasonable and discriminatory."

He said the court was not concerned with the political objectives of the Wallace party or its life expectancy. "Rather we are concerned only with the right of several hundred thousand electors to participate in Ohio's electoral process on a basis of complete equality with the members of the two major parties."

**Confession and Covenant**  
A NATION CONFESSES ITS SINS AND RENEWS ITS COVENANT  
Scripture—Nehemiah 8-10.

**By R. H. RAMSEY**  
SEVEN years elapsed between the account of Ezra's expedition from Babylon (Ezra 7 and Nehemiah 7) and the great religious revival which constitutes today's lesson. Where Ezra was or what he did during that time is not revealed. Whether he went into retirement or returned to Babylon, he reappeared in Jerusalem after the arrival of Nehemiah and the rebuilding of the walls brought a certain amount of security and its accompanying leisure to the people.

Our lesson begins with the statement that the people gathered in the street before the water gate, where a wooden pulpit had been erected, and asked Ezra to bring the book of the law of Moses and read it to them.

This Ezra did, reading the text in Hebrew, with the Levites (priests) standing beside him translating it into Aramaic as he read, for few of his listeners understood Hebrew.

When the people were carried into captivity Hebrew had been their national language.

**GOLDEN TEXT**  
"For Ezra had prepared his heart to seek the law of the Lord, and to do it, and to teach in Israel statutes and judgments."—Ezra 7:10.

But, with the passage of time, they learned Aramaic. When the Persians came into power after their conquest of Babylon, they spread the use of Aramaic throughout their conquered territories and it became the international language of business and diplomacy.

Thus, to make sure the people fully understood the law of Moses, the Levites translated for Ezra, expanding and explaining the word of God to an eager audience.

As the people listened they began to mourn and weep, for they knew they had broken the commandments of God. But Ezra, believing they were experiencing true contrition for their sins, told them to go to their homes and feast, to send portions of their feasts to the poor, and to rejoice in the Lord, for the joy of the Lord was their strength.

The people obeyed and returned the following day for more. On the second day Ezra read the law regarding the Feast of Tabernacles and the people returned to their homes and celebrated in accordance with what they had learned.

Space for Ohio Write-In Vote Partial Wallace Win

COLUMBUS, Ohio (AP) — Third party presidential candidate George C. Wallace was denied a place on Ohio's November general election ballot Thursday, but a federal court panel ordered the state to make provisions for write-ins.

Wallace, former Alabama governor, said in Knoxville, Tenn., that the ruling was a victory for his candidacy, but declined further comment until after he reads the opinion.

The decision voided sections of state election laws which prohibit write-in elections in general elections. The judges said the write-in order applies "for every office for which an election is to be held."

The decision, which also applied to efforts by the Socialist Labor Party to place a candidate on the ballot, came in a majority opinion delivered by U.S. Judge Carl A. Weinmann of Dayton and Judge Lester L. Cecil of Cincinnati senior judge for the 6th U.S. Circuit Court of Appeals.

U.S. Judge Joseph P. Kinneary of Columbus entered a dissenting opinion which favored printing Wallace's name on the ballot.

The federal panel's decision enjoined the state "from taking any action which would not provide for write-in voting for all offices for the 1968 general election."

The ruling, in effect, applies only to next November's election. The judges urged the state legislature to amend election laws so that they provide equal protection granted by the 14th amendment of the Constitution.

Oldest U.S. Soldier Sets Retirement

COLUMBUS, Ohio (AP)—The oldest man in the armed forces said Thursday that he will retire from the Army when his enlistment is up in November, 1969.

Sgt. I.C. Howard R. Davis, an Ohio-born soldier who will be 72 when he retires, said he will retire - but from the Army only. "As a certified public accountant, there's no problem in getting jobs," Davis said.

Davis earned two silver stars within days of each other in World War I and said he was "scared all the time over there." He participated in campaigns in France.

He ended active duty in 1919 and obtained a pre-law degree at Mount Union College. In 1936 he again joined the Ohio National Guard.

During the following 10 - 15 years, Davis served as assistant director and legal adviser in the Ohio Department of Welfare. Davis returned to active duty in 1950 and served in Europe, Korea and Hawaii before his assignment to the financial section of the Army Advisory Command at Fort Hayes in July.

"I got gas and shrapnel" Davis said, "but I pass the physical every year. However, come November, 1969, he'll retire to his home at Buckeye Lake and take no more physicals."

Secretary of State Ted Brown noted that the decision provides that presidential candidates must file the names of 26 presidential electors with his office by Oct. 15 in order for votes to be counted.

Brown and other election officials saw no great hardships arising from the decision.

The majority opinion denied the official status of Wallace's American Independent Party because it "does not possess the attributes of a traditional political party." It noted that the sole reason the party was formed was to obtain ballot position for Wallace.

Judge Kinneary, in his dissenting opinion, said Ohio election laws are "arbitrary, capricious, unreasonable and discriminatory."

He said the court was not concerned with the political objectives of the Wallace party or its life expectancy. "Rather we are concerned only with the right of several hundred thousand electors to participate in Ohio's electoral process on a basis of complete equality with the members of the two major parties."

Green and yellow decorations were used throughout the home with a miniature bride centering the gift table.

## Views on Television

By CYNTHIA LOWRY  
AP Television-Radio Writer

NEW YORK (AP) — The Democratic National Convention, up to its final hours, continued to be as full of surprises for the television observer as a grab bag.

One might have expected that in the wake of disturbances and shows of force the night before that things would have quieted down for Thursday night's final session.

But it was not to be. As the session was about to open network viewers heard the wife of David C. Hoeh, chairman of the New Hampshire delegation, tell TV reporters that her husband had been arrested, handcuffed and hauled off to jail.

With that, coverage shifted to the broadcast of a memorial film to Sen. Robert F. Kennedy.

The short black and white film, composed of still pictures, motion picture and television clips, was introduced by Sen. Edward M. Kennedy and narrated by Richard Burton. It was a warm tribute and at its conclusion the big hall seemed full of subdued men and women, many wiping tears from their eyes. There was some reverent and persistent applause that resulted in the most dramatic, spontaneous incident of the convention. Suddenly the crowd started clapping in unison and singing "The Battle Hymn of the Republic."

Time after time attempts were made to halt the singing and clapping and go ahead with the agenda. Even television viewers could feel and see the mood of the crowd change—to defiance and stubborn resistance.

Obviously perturbed officials on the podium even ordered the band to play to try to stop the demonstration. It stopped instantly, however, when a speaker came forward with a brief tribute to the memory of Martin Luther King Jr.

During the dreary formal ora-

tory, interviewing on the floor by network reporters made the viewing time pass more quickly. But constant interruptions of interesting demonstrations or announcements from the platform just because some reporter had buttonholed a delegate began to get irritating. CBS, more than NBC, had a tendency to concentrate on the work of its floor reporters, and a few times Walter Cronkite talked almost idly while some interesting voting was in progress.

Just before the acceptance speeches by the two candidates—and nobody interrupted them—CBS showed some take of a new incident involving young people and National Guardsmen in downtown Chicago. The reporter on the scene carefully explained that there was provocation for acting in breaking up the crowd. He said that while the soldiers used tear gas to disperse the young people, he had observed a youth leader egging the kids on.

The national conventions are now over for another four years. Television's coverage, while it may have overemphasized some things and underplayed some others, was generally of a very high caliber and it was done for the most part under difficult conditions.

### Attendance Up At State Fair

COLUMBUS, Ohio (AP)—The Ohio State Fair headed into a busy holiday weekend today boasting attendance figures which appear to be mounting at a record pace.

Fair officials said 113,029 people visited the exposition Thursday, an increase of 16,000 over the same day last year. A total of 1,014,272 visitors passed through the turnstiles during the first eight days.

The Smothers Brothers show continued to provide free entertainment at the grandstand today. James Brown and the stars of the Midwestern Hayride perform Saturday.

### Toledo Workers Electrocuted

TOLEDO, Ohio (AP) — Donald Shriner, 37, and David Bucher, 19, both of Toledo, were electrocuted Thursday as they worked at the Bostelman Construction Co. site near the Penn Central railroad tracks on the city's South Side.

The men were holding a piece of steel rigging when a crane contacted the rigging and then apparently came in touch with a power line.

## Wall Street Keeps Short Week

NEW YORK (AP) — The stock exchanges will continue their four-day trading weeks through September, the governing boards of the New York and American exchanges decided Thursday.

The exchanges and the over-the-counter market have been closing one day a week, mostly on Wednesdays, since June 12 to give brokers' clerical staffs more time to handle paperwork that accumulated during very heavy trading.

The exchanges will be closed next Monday, Labor Day, as usual. They also will close Sept. 11, 18 and 25, all Wednesdays.

## Ohio Demos Have Wounds To Heal

By DON BANDY  
Associated Press Writer  
CHICAGO (AP) — The Ohio delegation came to the Democratic National Convention divided and headed for home that way today, but with pledges from leaders to have a united front for presidential nominee Hubert H. Humphrey and his running mate, Sen. Edmund S. Muskie.

"We've got wounds to heal," State Chairman Eugene P. "Pete" O'Grady told the delegates Thursday night. "But the campaign opens Monday and ends Nov. 5 with victory. We're in this to win."

"Anybody who doesn't want in this — don't bother us," O'Grady admonished the 128 delegates at a reception just before the troubled convention drew to a close.

The only time Ohio presented a united front during the convention was Thursday night when the state's entire 115 votes were cast for Muskie.

John J. Gilligan, the Senate candidate whose dovish Vietnam stand caused much of the division in the delegation, pledged a "united party in Ohio . . . working for every candidate from Humphrey and Muskie, on down to the courthouse."

"We've had a little differences," Gilligan said, "but we'll unite . . . it may take a while but there will be real enthusiasm."

O'Grady said some of the problems that need to be patched up include keeping the youth in the party and "to bring the activists together with the party regulars."

State Sen. Frank King, president of the powerful Ohio AFL-CIO which reportedly was at odds with Gilligan because of his refusal to endorse Humphrey before the convention began, said he saw a "thawing out already" between the different

factions in the party. "The wounds will heal," King said.

Meanwhile, delegates looked upon Muskie as a big boost for Humphrey.

"He's a fine candidate," said King. "He knows the problems of the big cities and will have appeal to ethnic groups, which is important in Ohio."

"It's a great ticket," said Charles Carney of Youngstown. C. J. McLin Jr. of Dayton, admitting a tough race in November, said the addition of Muskie to the ticket "will help the ideas we believe in."

## Views on Television

By CYNTHIA LOWRY  
AP Television-Radio Writer

NEW YORK (AP) — The Democratic National Convention, up to its final hours, continued to be as full of surprises for the television observer as a grab bag.

One might have expected that in the wake of disturbances and shows of force the night before that things would have quieted down for Thursday night's final session.

But it was not to be. As the session was about to open network viewers heard the wife of David C. Hoeh, chairman of the New Hampshire delegation, tell TV reporters that her husband had been arrested, handcuffed and hauled off to jail.

With that, coverage shifted to the broadcast of a memorial film to Sen. Robert F. Kennedy.

The short black and white film, composed of still pictures, motion picture and television clips, was introduced by Sen. Edward M. Kennedy and narrated by Richard Burton. It was a warm tribute and at its conclusion the big hall seemed full of subdued men and women, many wiping tears from their eyes. There was some reverent and persistent applause that resulted in the most dramatic, spontaneous incident of the convention. Suddenly the crowd started clapping in unison and singing "The Battle Hymn of the Republic."

Time after time attempts were made to halt the singing and clapping and go ahead with the agenda. Even television viewers could feel and see the mood of the crowd change—to defiance and stubborn resistance.

Obviously perturbed officials on the podium even ordered the band to play to try to stop the demonstration. It stopped instantly, however, when a speaker came forward with a brief tribute to the memory of Martin Luther King Jr.

During the dreary formal ora-

tory, interviewing on the floor by network reporters made the viewing time pass more quickly. But constant interruptions of interesting demonstrations or announcements from the platform just because some reporter had button-holed a delegate began to get irritating. CBS, more than NBC, had a tendency to concentrate on the work of its floor reporters, and a few times Walter Cronkite talked almost idly while some interesting voting was in progress.

Just before the acceptance speeches by the two candidates—and nobody interrupted them—CBS showed some take of a new incident involving young people and National Guardsmen in downtown Chicago. The reporter on the scene carefully explained that there was provocation for acting in breaking up the crowd. He said that while the soldiers used tear gas to disperse the young people, he had observed a youth leader egging the kids on.

The national conventions are now over for another four years. Television's coverage, while it may have overemphasized some things and underplayed some others, was generally of a very high caliber and it was done for the most part under difficult conditions.

## Attendance Up At State Fair

COLUMBUS, Ohio (AP)—The Ohio State Fair headed into a busy holiday weekend today boasting attendance figures which appear to be mounting at a record pace.

Fair officials said 113,029 people visited the exposition Thursday, an increase of 16,000 over the same day last year. A total of 1,014,272 visitors passed through the turnstiles during the first eight days.

The Smothers Brothers show continued to provide free entertainment at the grandstand today. James Brown and the stars of the Midwestern Hayride perform Saturday.

## Toledo Workers Electrocuted

TOLEDO, Ohio (AP) — Donald Shriver, 37, and David Bucher, 19, both of Toledo, were electrocuted Thursday as they worked at the Bostleman Construction Co. site near the Penn Central railroad tracks on the city's South Side.

The men were holding a piece of steel rigging when a crane contacted the rigging and then apparently came in touch with a power line.

## Wall Street Keeps Short Week

NEW YORK (AP) — The stock exchanges will continue their four-day trading weeks through September, the governing boards of the New York and American exchanges decided Thursday.

The exchanges and the over-the-counter market have been closing one day a week, mostly on Wednesdays, since June 12 to give brokers' clerical staffs more time to handle paperwork that accumulated during very heavy trading.

The exchanges will be closed next Monday, Labor Day, as usual. They also will close Sept. 11, 18 and 25, all Wednesdays.

## Ohio Demos Have Wounds To Heal

By DON BANDY  
Associated Press Writer  
CHICAGO (AP) — The Ohio delegation came to the Democratic National Convention divided and headed for home that way today, but with pledges from leaders to have a united front for presidential nominee Hubert H. Humphrey and his running mate, Sen. Edmund S. Muskie.

"We've got wounds to heal," State Chairman Eugene P. "Pete" O'Grady told the delegates Thursday night. "But the campaign opens Monday and ends Nov. 5 with victory. We're in this to win."

"Anybody who doesn't want in this — don't bother us," O'Grady admonished the 128 delegates at a reception just before the troubled convention drew to a close.

The only time Ohio presented a united front during the convention was Thursday night when the state's entire 115 votes were cast for Muskie.

John J. Gilligan, the Senate candidate whose dovish Vietnam stand caused much of the division in the delegation, pledged a "united party in Ohio . . . working for every candidate from Humphrey and Muskie, on down to the courthouse."

# SCO Grid Title Hopefuls Perform Well in Scrimmages

## Washington, Wilmington, McClain Win

Washington C. H., Wilmington and Greenfield, three of the top favorites to wrest the South Central Ohio League football title from Circleville, did well in scrimmages this week.

Washington C. H., sporting a "much improved" pass offense, scored two touchdowns while holding host Waverly to a single score in a controlled scrimmage Wednesday.

Lowell Harper tromped 67 yards on a pitchout by quarterback Ed Heath for one Washington score. The other TD came when Steve Bowers fumbled, recovered and completed a 50-yard pass play to Stan Brown.

Eight Washington players were left at home due to illness or injury. Two were regulars. Holes in the defensive backfield led to experimenting with pass defenses. Waverly scored on a pass play of about 50 yards.

MIAMI Trace ran into a whale of a team, Reynoldsburg, and was outscored four touchdowns to one. The Raiders boast 10 veteran defenders returning and the coaching staff has worked with the offensive machine most of the year.

Reynoldsburg scored two TDs on picked off passes. The Raiders used a pair of 230-pound tackles, a 180-pound fullback, a 170-pound halfback and a middle guard who was 6-4 and weighed 250.

## Fillies Face Top Races Saturday

By ED SCHUYLER JR.  
Associated Press Sports Writer

The juvenile fillies step front and center Saturday, the first day of a busy and lucrative holiday weekend for thoroughbred racing.

Process Shot and Lynne's Orphan head a field of 15 2-year-old fillies entered in the 6 1/2-furlong Arlington-Washington Lassie Stakes at Arlington Park. If all 15 start, the gross purse will be \$187,500.

The \$60,000-added, six-furlong Del Mar Debutante for 2-year-old fillies also will be run Saturday at Del Mar as will the \$50,000-added, 1 1/4-mile Gazelle Handicap for 3-year-old fillies at Aqueduct.

Two \$100,000-added events headline Monday's national program—the 1 1/4-mile Aqueduct for 3-year-olds and up at Aqueduct and the Benjamin F. Lindheimer for 3-year-olds and up over 1 3/16 miles on the grass at Arlington.

But the really big money will be up for grabs for the quarterhorses. A field of 10 will sprint 400 yards Monday in the \$603,000-American Futurity at Ruidoso Downs, N.M.

Mrs. Edith W. Bancroft's Damascus is set to go in the Aqueduct under high weight of 134 pounds, but his archrival, Tartan Stable's Dr. Fager is not expected to start.

A field of nine is shaping up for the Lindheimer Handicap, topped by MacConn Stable's 4-year-old gelding, Irish Rebellion Fourth Estate Stable's War Censor and Llangollen Farm's Racing Room.

## 2 Golfers Tied In U.S. Amateur

COLUMBUS, Ohio (AP) — Two young collegiate golfers, bidding for glory in their first crack in the U.S. Amateur, clung to a one-stroke advantage today going into the third round of the prestige tournament.

But in hot pursuit, and still regarded as the player to beat, was British amateur king, Michael Bonallack.

At least a dozen others were within five strokes of the co-leaders.

Bruce Fleisher, a 19-year-old junior college youth from Hialeah, Fla., and Hubie Green, the Alabama amateur titlist from Birmingham, moved into a tie for the 36-hole lead Thursday with three-over-par 143.

## Last-Place Washington Puts Anchor on Baltimore Hopes

By MIKE RECHT  
Associated Press Sports Writer

The Washington Senators have had their troubles moving forward, but they overcame them long enough to put the Baltimore Orioles in reverse.

The Senators entered Baltimore two days ago buried in last place in the American League while the Orioles had climbed within four games of leading Detroit.

Washington departed Thursday night still stuck in the cellar, but left the Orioles moving backward, six games behind the Tigers after losing twice to the Senators.

Frank Howard's home run put the brakes on the Orioles Wednesday night and the king-sized slugger teamed with Ken McMullen and rookie Gary Holman to beat Baltimore 5-4 in 11 innings Thursday night.

That loss came after Detroit rode Mickey Lolich's three-hitter to a 2-0 triumph over California in the afternoon as the Tigers built momentum for their three-game weekend series against Baltimore starting tonight.

In other games, the Chicago White Sox slipped by the New York Yankees 1-0 and Minnesota tripped Cleveland 3-2 in night contests and Boston crumbled

Oakland 11-2 in daylight.

The Senators played their last place role for seven innings against rookie Roger Nelson, making his first start of the season. They had only four hits and trailed 3-0. Then came the start of the turnabout.

A walk and shortstop Mark Belanger's error on a potential double play sent McMullen up with two on and one out and he unloaded his 18th homer for a tie game. Howard followed with his 38th blast on the next pitch.

Baltimore got back on the beam temporarily when Brooks Robinson, who doubled in two earlier runs, singled home the tying run in the eighth. But Holman, who pinch hit unsuccessfully

fully in the eighth and stayed in the game, followed Bernie Allen's one-out double off Eddie Watt, 4-5, with a two-out, game-winning single.

Lolich, 13-8, put the pressure on the Angels earlier after a slow start in which he gave up three hits in the first two innings. But he retired the last 20 hitters he faced, and finished with 12 strike outs and one walk.

Willie Horton supplied the offense with his 31st home run in the fourth inning for the first of two hits given up by George Brunet, 13-13, in his seven innings. Horton drove in the second run in the eighth with an infield hit.

## Koonce Leads N.Y. Mets Over Cincinnati Reds, 2-0

NEW YORK (AP) — Pitcher Cal Koonce, who usually finishes something someone else starts, started something he didn't finish Thursday night. But the New York Mets aren't complaining.

But you could hear sorrowful sounds from the Cincinnati Reds.

"I wanted to make sure I would go five innings," said Koonce, making his first start after 45 relief appearances this season.

He went 6 1/3 innings against Cincinnati and was credited with the victory as the Mets beat the Reds 2-0.

Ron Taylor relieved Koonce, who yielded just two hits and retired 13 straight in one stretch.

Cincinnati's Vada Pinson and Fred Whitfield managed to tag Koonce for a hit apiece. Pete Rose, the National League's

leading hitter, went hitless in four times at bat and had his consecutive game hitting streak broken at 19 games.

"I was getting tired," said Koonce. "I missed the strike zone by two feet on one pitch."

George Culver, now 10-14, went five innings for the Reds and allowed seven of the Mets' nine hits and both runs. Reds' ace reliever Ted Abernathy came in at the beginning of the sixth and held New York.

Ken Boswell scored the first New York run in the third when he beat out an infield hit, advanced to second on a wild pitch and came home on Larry Stahl's ground-rule double.

Bud Harrelson opened the fifth with his third hit of the game, stole second and scored on Art Shamsky's double for the Mets' other run.

The Reds continue their road stand, opening a two-game series in Philadelphia today.

## 6 Pro Grid Games This Weekend

By ED SCHUYLER JR.  
Associated Press Sports Writer

The Cleveland Browns encounter the Buffalo Bills tonight, their first American Football League opposition ever, and the National Football League sorely needs a Browns' victory.

The AFL holds a 10-5 edge over the NFL and needs only two more victories to clinch the interleague, preseason series with eight games remaining, six of them this weekend.

There also are two AFL games on tap tonight—Cincinnati vs. the New York Jets at Memphis, Tenn., and Denver against San Diego at San Antonio, Tex.

The Washington Redskins scored 16 points in the second period and held on for a 16-10 victory over the Detroit Lions in an NFL game at Washington Thursday night.

Jerry Allen ran three yards for the first touchdown and Jim

Ninowski passed 25 yards to Jerry Smith. Both touchdowns were set up when the Lions were penalized on third down after Washington drives apparently had stalled.

The Redskins got a safety when linebacker Ed Breeding blocked a Jerry DePoyster punt in the end zone.

Detroit, who scored on a 59-yard pass from Bill Munson to Earl McCulloch and DePoyster's 37-yard field goal, lost a chance to win when Munson's 39-yard scoring pass to McCulloch late in the final quarter was nullified by offensive holding.

San Diego, 2-2, meets Denver, 1-2, fresh from an upset over the NFL Los Angeles Rams. Denver will have to stop John Hadl, who passed for 300 yards and two touchdowns against the Rams.

With regular quarterback Steve Tensi sidelined with a broken collarbone, John Mc-

Cormick, attempting a comeback at 31, is expected to start for Denver.

The Jets, who won their last two games after an opening loss, could get some unexpected trouble from a Cincinnati team that was perked up by an upset victory over the NFL Pittsburgh Steelers last weekend.

Cincinnati, 1-3, was tough on rushing against Pittsburgh, allowing the Steelers only 29 yards, but the Bengals' main problem against New York will be stopping the passing of Joe Namath. Namath saw his first action last weekend and threw for two touchdowns in a triumph

over the NFL Atlanta Falcons.

Saturday's schedule has three interleague games—Baltimore, NFL, at Miami, AFL; Kansas City, AFL, at Los Angeles and Dallas, NFL, at Houston, AFL. New Orleans is at Atlanta and Green Bay takes on Pittsburgh at Milwaukee, Wis., in NFL games Saturday.

Oakland of the AFL plays at NFL San Francisco and Minnesota is at St. Louis in an NFL game Sunday, while Philadelphia, NFL, plays Boston, AFL, at Cambridge, Mass., Monday.

The Minnesota-St. Louis game Sunday night will be televised nationally.

## Fight Between PGA, New Golfers' Group Continues

CLIFTON, N.J. (AP) — The struggle between the Professional Golfers Association and the rebelling touring pros continued today, with most of the activity behind locked doors and the major participants saying very little.

Arnold Palmer spent four hours in a closed-door session with the 16-man executive committee of the Professional Golfers Association in Washington Thursday. He made a proposal he declined to make public and missed his chance for a practice round for the \$150,000 Thunderbird Classic Open golf tournament which began today.

Asked if he would say the meeting was encouraging, Palmer said:

"It was cordial. But I would not use the word encouraging."

Palmer, the defending champion of this tourney, probably the greatest name in the game and the all-time leading money winner, "came before the executive committee on his own for the session in the best interests of golf," said a brief statement released jointly by Palmer and PGA President Max Elbin.

The statement also said "the executive committee is taking this (Palmer's) proposal under advisement for further consideration."

The touring pros, who broke with the PGA—which also represents some 6,000 club pros—two weeks ago, meanwhile went about the business of setting up their own organization, the American Professional Golfers.

**Jets Seek To Hold 1st**

By THE ASSOCIATED PRESS

The Columbus Jets may have figured to have relatively easy pickings this week against last-place Richmond and fourth-place Jacksonville in their bid for the International League pennant—but the Toledo Mud Hens aren't exactly quaking at the thought of playing contending Rochester.

Toledo moved back to within one per centage point of the Jets Thursday night with a 6-0 victory over Rochester while Columbus was being rained out of a scheduled doubleheader at Jacksonville.

Other action saw Louisville turn back Richmond 5-3 in 10 innings and Buffalo and Syracuse split a twin bill, the Bisons taking the opener 9-2 and the Chiefs the nightcap 2-0.

Thursday night's game was the 14th between Toledo and Rochester—and Toledo has won 11.

Jim Rooker, who last week had pitched a one-hitter and struck out 14 against Louisville, almost duplicated that effort. He gave up just two hits and again fanned 14.

The Mud Hens broke loose in the seventh for six runs, with Ron Woods' two-run single the big blow.

# SCO Grid Title Hopefuls Perform Well in Scrimmages

## Washington, Wilmington, McClain Win

Washington C. H., Wilmington and Greenfield, three of the top favorites to wrest the South Central Ohio League football title from Circleville, did well in scrimmages this week.

Washington C. H., sporting a "much improved" pass offense, scored two touchdowns while holding host Waverly to a single score in a controlled scrimmage Wednesday.

Lowell Harper tromped 67 yards on a pitchout by quarterback Ed Heath for one Washington score. The other TD came when Steve Bowers fumbled, recovered and completed a 50-yard pass play to Stan Brown.

Eight Washington players were left at home due to illness or injury. Two were regulars. Holes in the defensive backfield led to experimenting with pass defenses. Waverly scored on a pass play of about 50 yards.

MIAMI Trace ran into a whale of a team, Reynoldsburg, and was outscored four touchdowns to one. The Raiders boast 10 veteran defenders returning and the coaching staff has worked with the offensive machine most of the year.

Reynoldsburg scored two TDs on picked off passes. The Raiders used a pair of 230-pound tackles, a 180-pound fullback, a 170-pound halfback and a middle guard who was 6-4 and weighed 250.

## Fillies Face Top Races Saturday

By ED SCHUYLER JR.  
Associated Press Sports Writer  
The juvenile fillies step front and center Saturday, the first day of a busy and lucrative holiday weekend for thoroughbred racing.

Process Shot and Lynne's Orphan head a field of 15 2-year-old fillies entered in the 6 1/4 furlong Arlington-Washington Lassie Stakes at Arlington Park. If all 15 start, the gross purse will be \$187,500.

The \$60,000-added, six-furlong Del Mar Debutante for 2-year-old fillies also will be run Saturday at Del Mar as will the \$50,000-added, 1 1/4-mile Gazelle Handicap for 3-year-old fillies at Aqueduct.

Two \$100,000-added events headline Monday's national program—the 1 1/4-mile Aqueduct for 3-year-olds and up at Aqueduct and the Benjamin F. Lindheimer for 3-year-olds and up over 1 3/16 miles on the grass at Arlington.

But the really big money will be up for grabs for the quarterhorses. A field of 10 will sprint 400 yards Monday in the \$603,000 All-American Futurity at Ruidoso Downs, N.M.

Mrs. Edith W. Bancroft's Damascus is set to go in the Aqueduct under high weight of 134 pounds, but his archrival, Tartan Stable's Dr. Fager is not expected to start.

A field of nine is shaping up for the Lindheimer Handicap, topped by MacConn Stable's 4-year-old gelding, Irish Rebellion Fourth Estate Stable's War Censor and Llangollen Farm's Racing Room.

## 2 Golfers Tied In U.S. Amateur

COLUMBUS, Ohio (AP) — Two young collegiate golfers, bidding for glory in their first crack in the U.S. Amateur, clung to a one-stroke advantage today going into the third round of the prestige tournament.

But in hot pursuit, and still regarded as the player to beat, was British amateur king, Michael Bonallack.

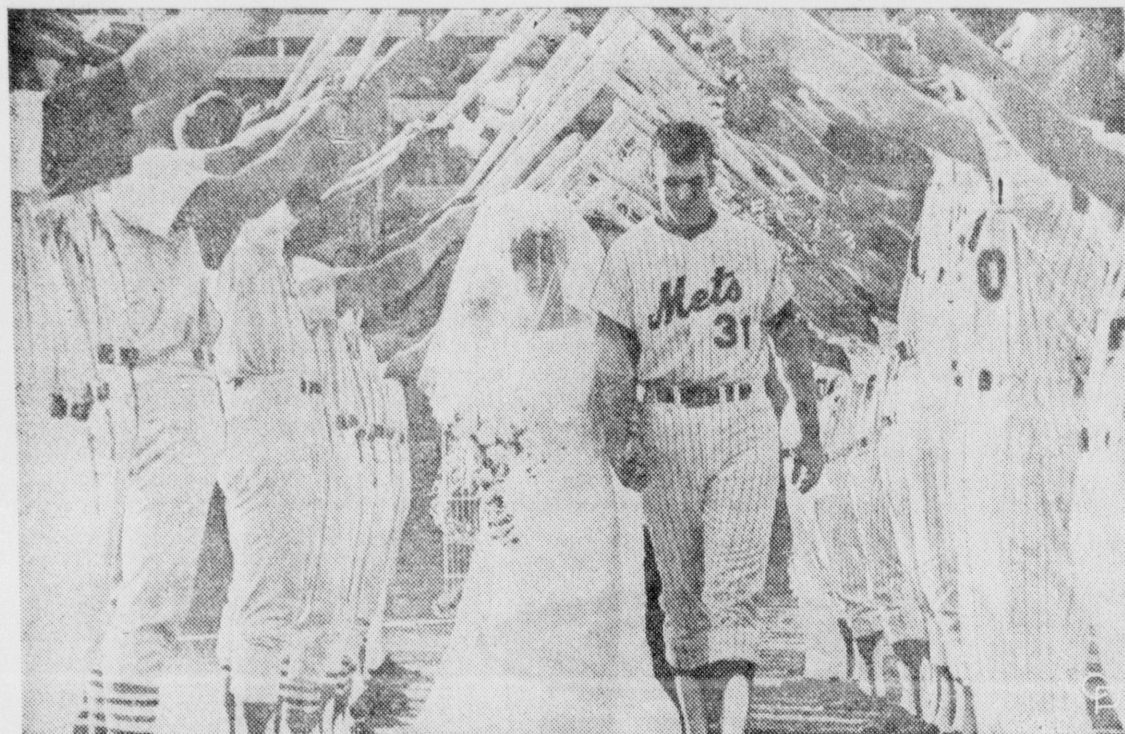

At least a dozen others were within five strokes of the co-leaders.

Bruce Fleisher, a 19-year-old junior college youth from Hialeah, Fla., and Hubie Green, the Alabama amateur titlist from Birmingham, moved into a tie for the 36-hole lead Thursday with three-over-par 143.

## Last-Place Washington Puts Anchor on Baltimore Hopes

By MIKE RECHT  
Associated Press Sports Writer  
The Washington Senators have had their troubles moving forward, but they overcame them long enough to put the Baltimore Orioles in reverse.

The Senators entered Baltimore two days ago buried in last place in the American League while the Orioles had climbed within four games of leading Detroit.

Washington departed Thursday night still locked in the cellar, but left the Orioles moving backward, six games behind the Tigers after losing twice to the Senators.

Frank Howard's home run put the brakes on the Orioles Wednesday night and the king-sized slugger teamed with Ken McMullen and rookie Gary Holman to beat Baltimore 5-4 in 11 innings Thursday night.

That loss came after Detroit rode Mickey Lolich's three-hitter to a 2-0 triumph over California in the afternoon as the Tigers built momentum for their three-game weekend series against Baltimore starting tonight.

In other games, the Chicago White Sox slipped by the New York Yankees 1-0 and Minnesota tripped Cleveland 3-2 in night contests and Boston crumbled

## Cincinnati Wins Connie Mack Title

FARMINGTON, N.M. (AP) — Cincinnati is the first team east of the Mississippi River to win a Connie Mack Baseball World Series championship.

The Ohio team turned the trick Thursday night with a 1-0, eight-inning victory over Bridgeport, Conn., on the relief pitching of Bruce Raible, who celebrated his 19th birthday with his fourth series victory.

## Elks Bowlers Plan Organizational Meet

BPO Elks Bowlers will hold an organizational meeting 7:30 p.m. Sept. 5.

All members of the Elks who are interested in participating in a bowling league are urged to attend.

Oakland 11-2 in daylight.

The Senators played their last place role for seven innings against rookie Roger Nelson, making his first start of the season. They had only four hits and trailed 3-0. Then came the start of the turnabout.

A walk and shortstop Mark Belanger's error on a potential double play sent McMullen up with two on and one out and he unloaded his 18th homer for a tie game. Howard followed with his 38th blast on the next pitch.

Baltimore got back on the beam temporarily when Brooks Robinson, who doubled in two earlier runs, singled home the tying run in the eighth. But Holman, who pinch hit unsuccess-

fully in the eighth and stayed in the game, followed Bernie Allen's one-out double off Eddie Watt, 4-5, with a two-out, game-winning single.

Lolich, 13-8, put the pressure on the Angels earlier after a slow start in which he gave up three hits in the first two innings. But he retired the last 20 hitters he faced, and finished with 12 strike outs and one walk.

Willie Horton supplied the offense with his 31st home run in the fourth inning for the first of two hits given up by George Brunet, 13-13, in his seven innings. Horton drove in the second run in the eighth with an infield hit.

## Koonce Leads N.Y. Mets Over Cincinnati Reds, 2-0

NEW YORK (AP) — Pitcher Cal Koonce, who usually finishes something someone else starts, started something he didn't finish Thursday night. But the New York Mets aren't complaining.

But you could hear sorrowful sounds from the Cincinnati Reds.

"I wanted to make sure I would go five innings," said Koonce, making his first start after 45 relief appearances this season.

He went 6 1/3 innings against Cincinnati and was credited with the victory as the Mets beat the Reds 2-0.

Ron Taylor relieved Koonce, who yielded just two hits and retired 13 straight in one stretch.

Cincinnati's Vada Pinson and Fred Whitfield managed to tag Koonce for a hit apiece. Pete Rose, the National League's

leading hitter, went hitless in four times at bat and had his consecutive game hitting streak broken at 19 games.

"I was getting tired," said Koonce. "I missed the strike zone by two feet on one pitch."

George Culver, now 10-14, went five innings for the Reds and allowed seven of the Mets' nine hits and both runs. Reds' ace reliever Ted Abernathy came in at the beginning of the sixth and held New York.

Ken Boswell scored the first New York run in the third when he beat out an infield hit, advanced to second on a wild pitch and came home on Larry Stahl's ground-rule double.

Bud Harrelson opened the fifth with his third hit of the game, stole second and scored on Art Shamsky's double for the Mets' other run.

The Reds continue their road stand, opening a two-game series in Philadelphia today.

## 6 Pro Grid Games This Weekend

By ED SCHUYLER JR.

Associated Press Sports Writer  
The Cleveland Browns encounter the Buffalo Bills tonight, their first American Football League opposition ever, and the National Football League sorely needs a Browns' victory.

The AFL holds a 10-5 edge over the NFL and needs only two more victories to clinch the interleague, preseason series with eight games remaining, six of them this weekend.

There also are two AFL games on tap tonight—Cincinnati vs. the New York Jets at Memphis, Tenn., and Denver against San Diego at San Antonio, Tex.

The Washington Redskins scored 16 points in the second period and held on for a 16-10 victory over the Detroit Lions in an NFL game at Washington Thursday night.

Jerry Allen ran three yards for the first touchdown and Jim

Ninowski passed 25 yards to Jerry Smith. Both touchdowns were set up when the Lions were penalized on third down after Washington drives apparently had stalled.

The Redskins got a safety when linebacker Ed Breeding blocked a Jerry DePoyster punt in the end zone.

Detroit, who scored on a 59-yard pass from Bill Munson to Earl McCullouch and DePoyster's 37-yard field goal, lost a chance to win when Munson's 39-yard scoring pass to McCullouch late in the final quarter was nullified by offensive holding.

San Diego, 2-2, meets Denver, 1-2, fresh from an upset over the NFL Los Angeles Rams. Denver will have to stop John Hadl, who passed for 300 yards and two touchdowns against the Rams.

With regular quarterback Steve Tensi sidelined with a broken collarbone, John Mc-

Cormick, attempting a comeback at 31, is expected to start for Denver.

The Jets, who won their last two games after an opening loss, could get some unexpected trouble from a Cincinnati team that was perked up by an upset victory over the NFL Pittsburgh Steelers last weekend.

Cincinnati, 1-3, was tough on rushing against Pittsburgh, allowing the Steelers only 29 yards, but the Bengals' main problem against New York will be stopping the passing of Joe Namath. Namath saw his first action last weekend and threw for two touchdowns in a triumph

over the NFL Atlanta Falcons. Saturday's schedule has three interleague games—Baltimore, NFL, at Miami, AFL; Kansas City, AFL, at Los Angeles and Dallas, NFL, at Houston, AFL. New Orleans is at Atlanta and Green Bay takes on Pittsburgh at Milwaukee, Wis., in NFL games Saturday.

Oakland of the AFL plays at NFL San Francisco and Minnesota is at St. Louis in an NFL game Sunday, while Philadelphia, NFL, plays Boston, AFL, at Cambridge, Mass., Monday.

The Minnesota-St. Louis game Sunday night will be televised nationally.

## Fight Between PGA, New Golfers' Group Continues

CLIFTON, N.J. (AP) — The struggle between the Professional Golfers Association and the rebelling touring pros continued today, with most of the activity behind locked doors and the major participants saying very little.

Arnold Palmer spent four hours in a closed-door session with the 16-man executive committee of the Professional Golfers Association in Washington Thursday. He made a proposal he declined to make public and missed his chance for a practice round for the \$150,000 Thunderbird Classic Open golf tournament which began today.

Asked if he would say the meeting was encouraging, Palmer said:

"It was cordial. But I would not use the word encouraging."

Palmer, the defending champion of this tourney, probably the greatest name in the game and the all-time leading money winner, "came before the execu-

utive committee on his own for the session in the best interests of golf," said a brief statement released jointly by Palmer and PGA President Max Elbin.

The statement also said "the executive committee is taking this (Palmer's) proposal under advisement for further consideration."

The touring pros, who broke with the PGA—which also represents some 6,000 club pros—two weeks ago, meanwhile went about the business of setting up their own organization, the American Professional Golfers.

## Jets Seek To Hold 1st

By THE ASSOCIATED PRESS

The Columbus Jets may have figured to have relatively easy pickings this week against last-place Richmond and fourth-place Jacksonville in their bid for the International League pennant—but the Toledo Mud Hens aren't exactly quaking at the thought of playing contending Rochester.

Toledo moved back to within one per centage point of the Jets Thursday night with a 6-0 victory over Rochester while Columbus was being rained out of a scheduled doubleheader at Jacksonville.

Other action saw Louisville turn back Richmond 5-3 in 10 innings and Buffalo and Syracuse split a twin bill, the Bisons taking the opener 9-2 and the Chiefs the nightcap 2-0.

Thursday night's game was the 14th between Toledo and Rochester—and Toledo has won 11.

Jim Rooker, who last week had pitched a one-hitter and struck out 14 against Louisville, almost duplicated that effort. He gave up just two hits and again fanned 14.

The Mud Hens broke loose in the seventh for six runs, with Ron Woods' two-run single the big blow.

Both teams had a pair of long drives in the scrimmage. Trace scored on a five-yard dive by Bev Lee capping an 80-yard march. The Tracers showed lack of blocking and pass plays but had a good ground game. Elsewhere, Wilmington rode a bubble of two scrimmage wins past Fairborn, four touchdowns to one, on the Hurricane grounds.

Coach Jim Knowels reported that the team is way ahead of the usual performance at the same time last year. Wilmington held Fairborn to just 20 yards in the first 10 plays of the controlled scrimmage. Then the Hurricane took over and scored 10 plays later on a QB sneak by Karl Rosenberg.

Wilmington's second score was a 35-yard strike from Rosenberg to Chuck Fazio. The third TD came when the Hurricane's 215-pound tackle Doug Gordley ran over the opposition clearing the path for a 43-yard scamper by Fazio.

THE fourth TD for Wilmington and the third for Fazio was a 55-yard rollout from Rosenberg.

In the Hurricane's 24-12 thumping of DeSales last Saturday, Rosenberg passed 32 yards to Jeff Garman for a score, scrambled loose for another score from 70 yards, handed to Fazio and to Randy Harris, who each trampled 65 yards for TDs.

Wilmington's reserves, lacking depth, were battered by Fairborn's second string, three TDs to none.

Greenfield McClain scored four TDs on two bombs and two sustained drives as the Tigers edged host Marysville, 25-18, in a Wednesday scrimmage.

McClain quarterback Ron Coleman hit Tom Kellis twice on passes that covered 65 yards. The second score came in the second half. Marysville scored on long sustained drives twice in the first half and early in the second.

Bob Riley set the tying TD as he carried the ball five consecutive times and churned a pair of first downs. He was cut above the eye on the fifth rush and was taken from the field.

Cross scored the tying TD up the middle. Coach Paul Orr sent in his reserve unit after the score and they marked up a TD on a two-yard drive by Doug Howland.

WILMINGTON, Ohio (AP) — Paul Brown stepped onto the field at Cincinnati's Nippert Stadium prior to his first game in five years as a coach, looked around and said:

"This field looks short, but it'll probably get longer as the game goes."

Brown, coach of the American Football League's newest team, the Cincinnati Bengals, had taken steps to insure the season doesn't seem to get longer and longer as it goes.

"I've prepared myself for this," said the former, highly successful coach of the Cleveland Browns of the National League. "I coached myself before I came."

"We're not misleading ourselves. We're an expansion team, and we know it. We have a tough nut to crack."

Brown, who will be 60 next Saturday, is going through the team building process for the second team. Twenty-two years ago he built the Cleveland Browns and soon turned them into a powerhouse that dominated first the All-America Conference and then the NFL for a while.

He's not laboring under any illusions that he can do the same within a short time in the AFL. In fact, if he had any such thoughts, they were quickly dispelled in the Bengals' first exhibition game, a contest against Kansas City in which they didn't run a play from scrimmage for the entire first quarter.

Actually, though, the Bengals have progressed rapidly since that quarter. They dropped their first three exhibition games all to AFL foes, but then surprisingly beat the Pittsburgh Steelers of the NFL.

Dewey Warren, a rookie from Tennessee who powered that victory, could wind up as the starting quarterback after starting out behind John Stofa. Brown traded for Stofa soon after obtaining the franchise, but the former Miami Dolphin injured his leg and hasn't played lately.

Warren, meanwhile, has displayed a bold, confident kind of quarterbacking and could be the No. 1 man when the Bengals open the season at San Diego next Friday night.

As receivers, Cincinnati has a pair of rookies at the ends, Warren McVea from Houston and Bob Trumpy from Utah, and a second-year player, Rod Sherman, at flanker. Sherman was grabbed from Oakland in the expansion draft.

The running attack also features rookies, which further indicates Brown's confidence that youth is the shortest route to eventual and lasting success.

Tom Smiley of Lamar Tech has been running at fullback while Paul Robinson of Arizona State and Jesse Phillips of Michigan State share the half-back spot. Phillips, incidentally, is the fellow who was paroled from a Michigan prison a day before Cincinnati's first exhibition game.

The interior offensive line also has three rookies—guard Dave Middelendorf of Washington State, All-America center Bob Johnson of Tennessee and tackle Howie Fiest of Texas. Tackle Ernie Wright, on the other hand, is in his ninth pro year. The other guard is third-year pro Pat Matson.

Right now the defensive line has Jim Griffin and Harry Gunner at end and Bill Staley and Bill Kindricks at tackle.

Probably the best part of the defense is the linebacking where veterans Dan Brabham and Frank Buncom are stationed. Sherrill Headrick another veteran, started out at middle linebacker, but he's been injured so Mike Hibler has stepped in.

The secondary also is comprised of veterans—Fletcher Smith and Bobby Hunt, both of whom came from Kansas City, White Graves and Charlie King.

## Bengals Go Against Jets At Memphis

CINCINNATI (AP) — Boasting of an injury-free squad and few new plays, the Cincinnati Bengals go against the New York Jets tonight at Memphis in an American Football League exhibition game.

Both teams are hot off victories over National Football League teams.

John Stofa, the Bengals' No. 1 quarterback who missed the last two contests because of a twisted knee, will start in the last exhibition before the start of the regular season.

For the second time this year, No. 1 signal caller Joe Namath will be starting for the Jets, who registered a 27-12 decision over Atlanta last weekend.

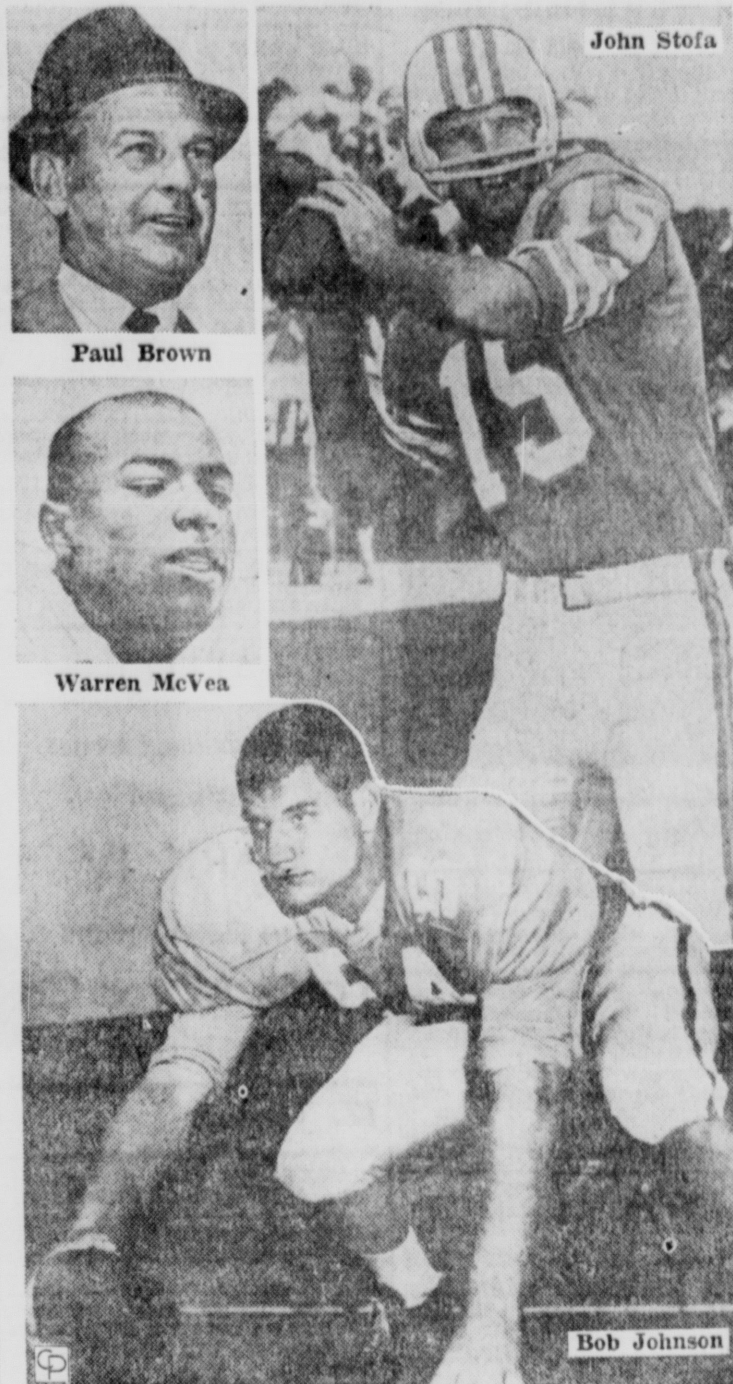

Cincinnati's defensive tackles Bill Staley and Bill Kindricks are fully recovered from injuries.

The Bengals have added a few more plays, according to Coach Paul Brown—and worked on a surprise play during their Thursday workout.

The Bengals, who won their first game last Sunday by upsetting the Pittsburgh Steelers 19-3, will put their passing game on the line against the Jets.

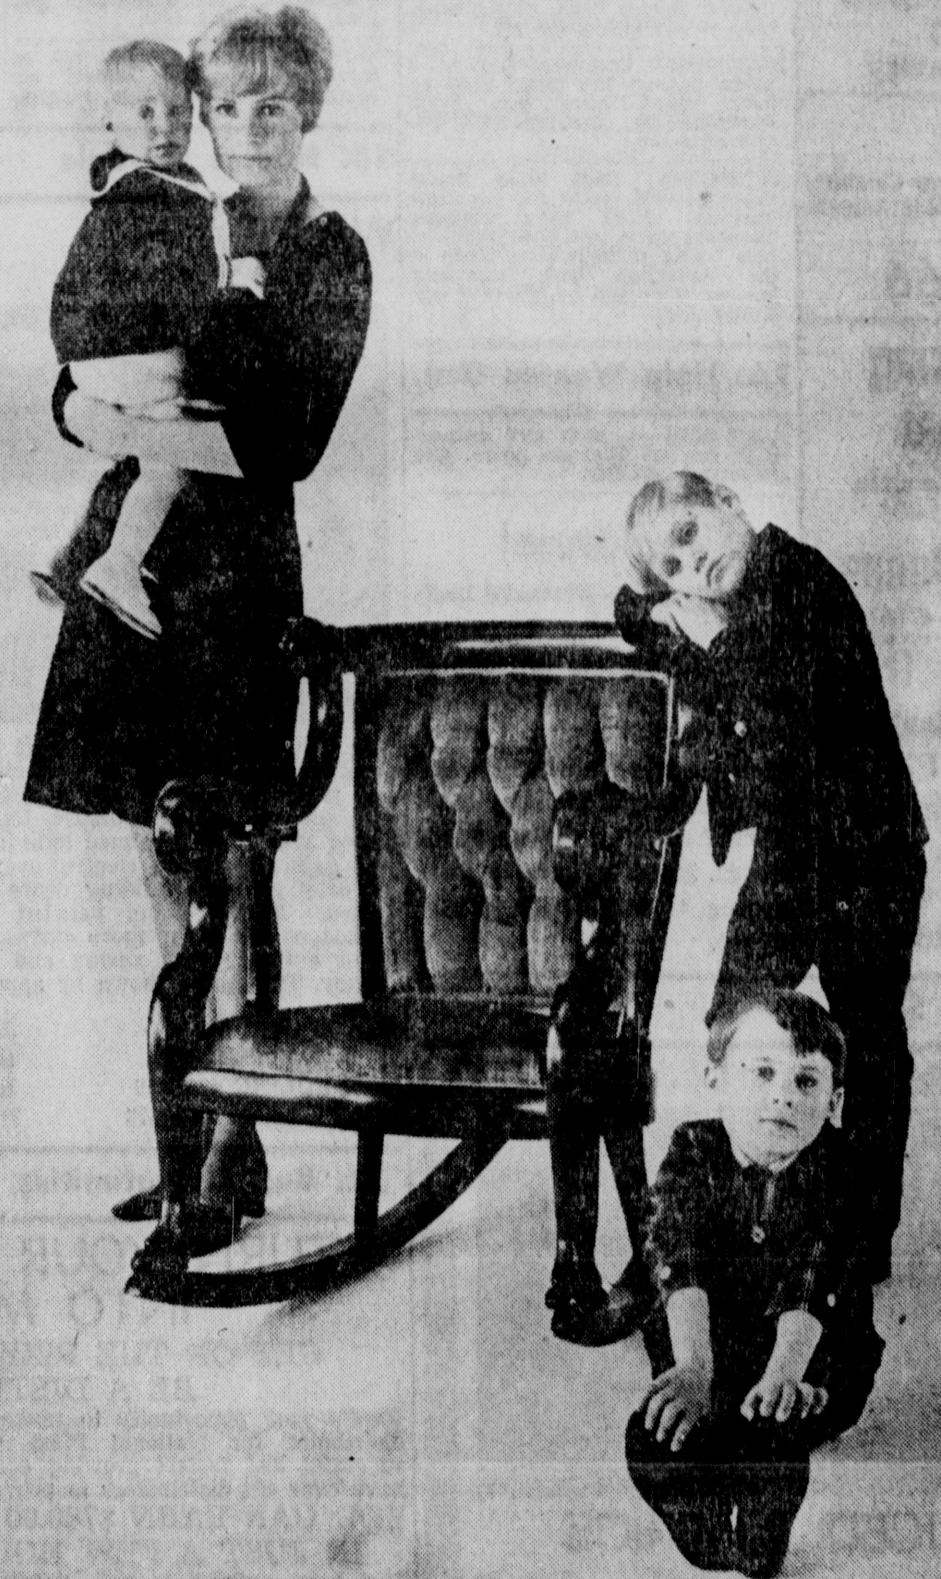

Dewey Warren, the rookie from Tennessee, played virtually all the game against the Steelers and his passes set up the Bengals touchdowns.

All Brown is saying about tonight's game is that Stofa and Warren will have about equal time.

CINCINNATI'S NEWEST — The Cincinnati Bengals football team provide the Queen City with its third major league professional sport. Under coach Paul Brown, who has already coached championship teams for Massillon High School, Ohio State University and Cleveland Browns, the Bengals have already turned in a respectable pre-season exhibition series.

The late Mike Cammuso, beloved father of three, thought safety belts were for kids.

Both teams had a pair of long drives in the scrimmage. Trace scored on a five-yard drive by Bev Lee capping an 80-yard march. The Tracers showed lack of blocking and pass plays but had a good ground game.

Elsewhere, Wilmington rode a bubble of two scrimmage wins past Fairborn, four touchdowns to one, on the Hurricane grounds.

Coach Jim Knowels reported that the team is way ahead of the usual performance at the same time last year. Wilmington held Fairborn to just 20 yards in the first 10 plays of the controlled scrimmage. Then the Hurricane took over and scored 10 plays later on a QB sneak by Karl Rosenberg.

Wilmington's second score was a 35-yard strike from Rosenberg to Chuck Fazio. The third TD came when the Hurricane's 215-pound tackle Doug Gordley ran over the opposition clearing the path for a 43-yard scamper by Fazio.

THE fourth TD for Wilmington and the third for Fazio was a 55-yard rollout from Rosenberg.

In the Hurricane's 24-12 thumping of DeSales last Saturday, Rosenberg passed 32 yards to Jeff Garman for a score, scrambled loose for another score from 70 yards, handed to Fazio and to Randy Harris, who each trampled 65 yards for TDs.

Wilmington's reserves, lacking depth, were battered by Fairborn's second string, three TDs to none.

Greenfield McClain scored four TDs on two bombs and two sustained drives as the Tigers edged host Marysville, 25-18, in a Wednesday scrimmage.

McClain quarterback Ron Coleman hit Tom Kellis twice on passes that covered 65 yards. The second score came in the second half. Marysville scored on long sustained drives twice in the first half and early in the second.

Bob Riley set the tying TD as he carried the ball five consecutive times and churned a pair of first downs. He was cut above the eye on the fifth rush and was taken from the contest.

Cross scored the tying TD up the middle. Coach Paul Orr sent in his reserve unit after the score and they marked up a TD on a two-yard drive by Doug Howland.

### Winner Retires

DENVER (AP) — Al Oviatt, with the best winning basketball record among Denver high school coaches, has retired from coaching at 55 to devote his time to teaching. In 15 seasons his Manual High teams, won six city championships and tied for two others as well as winning two state titles.

WILMINGTON, Ohio (AP) — Paul Brown stepped onto the field at Cincinnati's Nippert Stadium prior to his first game in five years as a coach, looked around and said:

"This field looks short, but it'll probably get longer as the game goes."

Brown, coach of the American Football League's newest team, the Cincinnati Bengals, had taken steps to insure the season doesn't seem to get longer and longer as it goes.

"I've prepared myself for this," said the former, highly successful coach of the Cleveland Browns of the National League. "I coached myself before I came."

"We're not misleading ourselves. We're an expansion team, and we know it. We have a tough nut to crack."

Brown, who will be 60 next Saturday, is going through the team building process for the second team. Twenty-two years ago he built the Cleveland Browns and soon turned them into a powerhouse that dominated first the All-America Conference and then the NFL for a while.

He's not laboring under any illusions that he can do the same within a short time in the AFL. In fact, if he had any such thoughts, they were quickly dispelled in the Bengals' first exhibition game, a contest against Kansas City in which they didn't run a play from scrimmage for the entire first quarter.

Actually, though, the Bengals have progressed rapidly since that quarter. They dropped their first three exhibition games all to AFL foes, but then surprisingly beat the Pittsburgh Steelers of the NFL.

Dewey Warren, a rookie from Tennessee who powered that victory, could wind up as the starting quarterback after starting out behind John Stofa. Brown traded for Stofa soon after obtaining the franchise, but the former Miami Dolphin injured his leg and hasn't played lately.

Warren, meanwhile, has displayed a bold, confident kind of quarterbacking and could be the No. 1 man when the Bengals open the season at San Diego next Friday night.

As receivers, Cincinnati has a pair of rookies at the ends, Warren McVea from Houston and Bob Trumpy from Utah, and a second-year player, Rod Sherman, at flanker. Sherman was grabbed from Oakland in the expansion draft.

The running attack also features rookies, which further indicates Brown's confidence that youth is the shortest route to evenual and lasting success.

Tom Smiley of Lamar Tech has been running at fullback since last season.

Right now the defensive line has Jim Griffin and Harry Gunner at end and Bill Staley and Bill Kindricks at tackle.

Probably the best part of the defense is the linebacking where veterans Dan Brabham and Frank Buncom are stationed. Sherrill Headrick another veteran, started out at middle linebacker, but he's been injured so Mike Hilber has stepped in.

The secondary also is comprised of veterans—Fletcher Smith and Bobby Hunt, both of whom came from Kansas City, White Graves and Charlie King.

## Strife . . .

(Continued from Page 1) and Humphrey "have a different evaluation of the risks involved in stopping the bombing." For his own part, the vice presidential nominee said he would "actively pursue the prospects of a bombing halt" while consulting with Paris peace negotiators and military leaders.

The convention's deep split when it rejected a dovish proposal for an unconditional bombing halt appeared to Muskie to be "not so great it should be permanently decisive."

But Sen. Eugene J. McCarthy, D-Minn., did not agree. McCarthy, Humphrey's chief rival for the top nomination, declined to endorse his fellow Minnesotan.

He said he will devote his time in the fall campaign to electing Vietnam war critics to the Senate so that body will have a larger voice in foreign affairs.

McCarthy avoided the closing convention session but Sen. George S. McGovern of South Dakota, another Humphrey opponent, attended as a sign of unity.

Muskie won the second place nomination overwhelmingly but not without some short-lived efforts to stage a revolt. Insurgents offered the name of Julian Bond, 28-year-old Negro legislator from Georgia, but he withdrew. He explained that he wasn't old enough to meet the constitutional requirement that a candidate be at least 35 years old.

## Bids Opened For Prison At Lucasville

COLUMBUS, Ohio (AP) — Bids were opened Thursday on the proposed \$25 million Southern Ohio Penitentiary at Lucasville, and S. S. Silverblatt, Inc., Columbus, apparently submitted the lowest bid for general construction, \$17,640,000.

Trailing Silverblatt were the Knowlton Construction Corp., Bellefontaine, \$18,850,000 and Blount Brothers Construction Corp., Montgomery, Ala., \$19,568,000.

Awarding of contracts is expected early next week.

The Ohio Department of Public Works conducted the bidding. Construction of the new prison is expected to require at least two years. Upon completion, it hopefully will eliminate the need for the riot-torn Ohio Penitentiary.

The state's estimate for general construction was \$15,604,133.

Nova Co., Inc., Avon, was the apparent low bidder in mechanical construction. It submitted a plumbing bid of \$3,175,500. Tibbets Plumbing and Heating, Dayton, submitted the apparent low bid in mechanical construction, \$4,578,444.

The state estimate for plumbing construction was \$3,593,550 and for mechanical construction \$3,795,170.

The Midland Industrial Electrical Co., Valley View, submitted the apparent low bid for electrical work, \$3,103,388. The state estimate for electrical construction was \$2,620,560.

## Convention Pays Tribute to RFK

CHICAGO (AP) — For the second time in as many national conventions, Democrats have paid an emotional tribute to an assassinated party hero—both times a Kennedy.

The final session of the 1968 convention Thursday night opened with a 20-minute film tribute to the late Sen. Robert F. Kennedy, touching off 19 minutes of singing and chanting which convention Chairman Carl Albert was helpless to stop.

The film was introduced by Sen. Edward M. Kennedy, the last surviving Kennedy brother, who spoke to the convention on televised videotape from the Kennedy family compound at Hyannisport, Mass., saying:

"If my brother's life and death had one meaning above all others it was this: That we should not hate but love one another, that our strength should not be used to create the conditions that lead to violence but the conditions of justice that lead to peace."

Just four years ago, at Atlantic City, N.J., Robert Kennedy stood before another Democratic convention and, his eyes moist, paid a similar tribute to President John F. Kennedy, killed by an assassin in November, 1963.

As the film ended Thursday, cheering delegates and spectators rose—many close to tears—and began singing "The Battle Hymn of the Republic," clapping their hands in unison.

Home-made signs of tribute to the slain New York senator appeared on the floor of the convention and in the visitors' galleries.

"Bobby, we'll seek your newer world," said one. "Bobby, we miss you," said another.

It was the second demonstration of the night and sharply contrasted with one which began just prior to the opening gavel. That one was for Chicago Mayor Richard J. Daley whose supporters had passed out professionally printed signs on the floor and in the visitors' galleries that read: "We love Mayor Daley."

## Hemline Order Is Modified

GLASGOW, Mont. (AP) — The height of fashion has forced the Glasgow school board to skirt the issue of hemlines.

The board changed its rule that skirts must reach to coeds' knees and required instead "reasonable and modest length" worn "in a lady-like manner."

The action was taken after clothiers said they could not buy skirts long enough to meet the board's original order.

And the Daley demonstrators had some competition from delegates who have criticized Chicago's police and Daley himself for their handling of downtown peace demonstrations during the week.

One anti-Daley delegate hoisted a sign reading, "Daley for Fuehrer."

The Kennedy demonstration, as might be expected, was generally sympathetic although at one point, a few people in the visitors gallery chanted briefly,

"We want Daley." Time and again, Albert pounded his gavel calling for order. But neither he nor Mrs. Dorothy V. Bush, secretary to the Democratic National Committee could quiet the hall.

Not until Delegate Ralph Metcalf of Chicago, a Negro, introduced a tribute to the Rev. Martin Luther King Jr., also the victim of an assassin's bullet, did the convention hall quiet.

The Kennedy film, which most delegates watched and

ing at their seats, brought all but dead silence to the hall, perhaps the first time that has happened during any session of this convention.

Edward Kennedy had decided to stay at his family's Cape Cod compound rather than address the Chicago convention in person. He indicated Thursday after taping the introduction to the memorial that he intended to remain secluded in Massachusetts, at least for the immediate future.

and Humphrey "have a different evaluation of the risks involved in stopping the bombing." For his own part, the vice presidential nominee said he would "actively pursue the prospects of a bombing halt" while consulting with Paris peace negotiators and military leaders.

The convention's deep split when it rejected a dovish proposal for an unconditional bombing halt appeared to Muskie to be "not so great it should be permanently decisive."

But Sen. Eugene J. McCarthy, D-Minn., did not agree. McCarthy, Humphrey's chief rival for the top nomination, declined to endorse his fellow Minnesotan.

He said he will devote his time in the fall campaign to electing Vietnam war critics to the Senate so that body will have a larger voice in foreign affairs.

McCarthy avoided the closing convention session but Sen. George S. McGovern of South Dakota, another Humphrey opponent, attended as a sign of unity.

Muskie won the second place nomination overwhelmingly but not without some revolted efforts to stage a revolt. Insurgents offered the name of Julian Bond, 28-year-old Negro legislator from Georgia, but he withdrew. He explained that he wasn't old enough to meet the constitutional requirement that a candidate be at least 35 years old.

## 4 Boys Die In Accident

BELLAIRE, Ohio (AP)—Four boys ranging in age from 16 to 2½ were killed early today when their automobile apparently went out of control and plunged over an embankment on Ohio 149 in Belmont County near the Harrison County line.

All were residents of New Athens in Harrison County.

Authorities said the dead boys, who had been reported missing from their homes at 1:30 a.m. Friday, were identified as 16-year-old Timothy Horstman, the driver; his brothers Jeffrey, 15, and David, 2½, and the boys' neighbor, Frank Ronshak, 16.

Jerry Horstman, 11, was hurt seriously and taken to Ohio Valley Hospital in Wheeling.

Deputy Sheriff Denzil Green of Harrison County found the automobile at the bottom of the embankment about 4:30 a.m., after officers of both Belmont and Harrison County had searched for the boys for hours.

He had passed the spot of the accident several times before finally seeing the wreckage.

## Bids Opened For Prison At Lucasville

COLUMBUS, Ohio (AP)—Bids were opened Thursday on the proposed \$25 million Southern Ohio Penitentiary at Lucasville, and S. S. Silverblatt, Inc., Columbus, apparently submitted the lowest bid for general construction, \$17,640,000.

Trailing Silverblatt were the Knowlton Construction Corp., Bellefontaine, \$18,850,000 and Blount Brothers Construction Corp., Montgomery, Ala., \$19,568,000.

Awarding of contracts is expected early next week.

The Ohio Department of Public Works conducted the bidding.

Construction of the new prison is expected to require at least two years. Upon completion, it hopefully will eliminate the need for the riot-torn Ohio Penitentiary.

The state's estimate for general construction was \$15,604,133.

Nova Co., Inc., Avon, was the apparent low bidder in mechanical construction. It submitted a plumbing bid of \$3,175,500.

Tibbetts Plumbing and Heating, Dayton, submitted the apparent low bid in mechanical construction, \$4,578,444.

The state estimate for plumbing construction was \$3,593,550 and for mechanical construction \$3,795,170.

The Midland Industrial Electrical Co., Valley View, submitted the apparent low bid for electrical work, \$3,103,388. The state estimate for electrical construction was \$2,620,560.

## Convention Pays Tribute to RFK

CHICAGO (AP)—For the second time in as many national conventions, Democrats have paid an emotional tribute to an assassinated party hero—both times a Kennedy.

The final session of the 1968 convention Thursday night opened with a 20-minute film tribute to the late Sen. Robert F. Kennedy, touching off 19 minutes of singing and chanting which convention Chairman Carl Albert was helpless to stop.

The film was introduced by Sen. Edward M. Kennedy, the last surviving Kennedy brother, who spoke to the convention on televised videotape from the Kennedy family compound at Hyannisport, Mass., saying:

"If my brother's life and death had one meaning above all others it was this: That we should not hate but love one another, that our strength should not be used to create the conditions that lead to violence but the conditions of justice that lead to peace."

Just four years ago, at Atlantic City, N.J., Robert Kennedy stood before another Democratic convention and, his eyes moist, paid a similar tribute to President John F. Kennedy, killed by an assassin in November, 1963.

As the film ended Thursday, cheering delegates and spectators rose—many close to tears—and began singing "The Battle Hymn of the Republic," clapping their hands in unison.

Home-made signs of tribute to the slain New York senator appeared on the floor of the convention and in the visitors' galleries.

"Bobby, we'll seek your newer world," said one. "Bobby, we miss you," said another.

It was the second demonstration of the night and sharply contrasted with one which began just prior to the opening gavel. That one was for Chicago Mayor Richard J. Daley whose supporters had passed out professionally printed signs on the floor and in the visitors' galleries that read: "We love Mayor Daley."

## Hemline Order Is Modified

GLASGOW, Mont. (AP)—The height of fashion has forced the Glasgow school board to skirt the issue of hemlines.

The board changed its rule that skirts must reach to coeds' knees and required instead "reasonable and modest length" worn "in a lady-like manner."

The action was taken after clothiers said they could not buy skirts long enough to meet the board's original order.

And the Daley demonstrators had some competition from delegates who have criticized Chicago's police and Daley himself for their handling of downtown peace demonstrations during the week.

One anti-Daley delegate hoisted a sign reading, "Daley for Fuehrer."

The Kennedy demonstration, as might be expected, was generally sympathetic although at one point, a few people in the visitors gallery chanted briefly,

"We want Daley." Time and again, Albert pounded his gavel calling for order. But neither he nor Mrs. Dorothy V. Bush, secretary to the Democratic National Committee could quiet the hall.

Not until Delegate Ralph Metcalf of Chicago, a Negro, introduced a tribute to the Rev. Martin Luther King Jr., also the victim of an assassin's bullet, did the convention hall quiet.

The Kennedy film, which most delegates watched s and

ing at their seats, brought all but dead silence to the hall, perhaps the first time that has happened during any session of this convention.

Edward Kennedy had decided to stay at his family's Cape Cod compound rather than address the Chicago convention in person. He indicated Thursday after taping the introduction to the memorial that he intended to remain secluded in Massachusetts, at least for the immediate future.
